

Levelling-up and Regeneration Bill

AMENDMENTS

TO BE MOVED

IN COMMITTEE OF THE WHOLE HOUSE

[Supplementary to the Eighth Marshalled List]

Schedule 11

LORD YOUNG OF COOKHAM

Schedule 11, page 351, line 34, at end insert “including retrofitting existing homes through the introduction of energy efficient methods that improve the rating of each of those homes to an Energy Performance Certificate rating of C or better.”

Member's explanatory statement

This would enable the Infrastructure Levy to be used to retrofit houses to meet climate change commitments.

After Clause 214

LORD BERKELEY

After Clause 214, insert the following new Clause –

“Law Commission report on leasehold home ownership

The Secretary of State must lay a report before each House of Parliament assessing whether the recommendations in the Law Commission report “Leasehold home ownership: buying your freehold or extending your lease”, published on 21 July 2020, would have a positive effect on meeting the Government’s objectives for levelling-up and regeneration, including actions relating to the comments on leaseholds relating to the Duchy of Cornwall.”
