-
- (4) Age assurance to identify who is a child user or which age group a child user is in is an example of a measure which may be taken or used (among others) for the purpose of compliance with a duty set out in subsection (2) or (3).
- (5) The duties set out in subsections (2) and (3) apply across all areas of a service, including the way it is designed, operated and used as well as content present on the service, and (among other things) require the provider of a service to take or use measures in the following areas, if it is proportionate to do so –

(b) the size and capacity of the provider of a service.

- (13) So far as a duty set out in this section relates to non-designated content that is harmful to children, the duty is to be taken to extend only to addressing risks of harm from the kinds of such content that have been identified in the most recent children’s risk assessment (if any have been identified).

- (14) References in subsections (3)(b) and (6)(b) and (c) to children in age groups judged to be at risk of harm from content that is harmful to children are references to children in age groups judged to be at risk of such harm as assessed by the provider of a service in the most recent children’s risk assessment of the service.

- (15) The duties set out in subsections (3) and (6) are to be taken to extend only to content that is harmful to children where the risk of harm is presented by the nature of the content (rather than the fact of its dissemination).

- (16) The duties set out in this section extend only to such parts of a service as it is possible for children to access.

- (17) For the purposes of subsection (16), a provider is only entitled to conclude that it is not possible for children to access a service, or a part of it, if there are systems or processes in place (for example, age verification, or another means of age assurance) that achieve the result that children are not normally able to access the service or that part of it.

- (18) In this section “children’s risk assessment” has the meaning given by section 10.

- (19) See also, in relation to duties set out in this section, section 18 (duties about freedom of expression and privacy).

- (15) Taking any step set out in subsection (3) or (7) does not count as “taking action” for the purposes of this section.
- (16) See –
 section 15 for the meaning of “journalistic content”;
 section 49 for the meaning of “news publisher content”; 10

 - (b) minimise the risk of children in age groups judged to be at risk of harm from other content that is harmful to children (or from a particular kind of such content) encountering search content of that kind. 40
- (4) The duties set out in subsections (2) and (3) apply across all areas of a service, including the way the search engine is designed, operated and used as well as search content of the service, and (among other things) require the provider of a service to take or use measures in the following areas, if it is proportionate to do so – 45

 - (b) the size and capacity of the provider of a service.
- (11) So far as a duty set out in this section relates to non-designated content that is harmful to children, the duty is to be taken to extend only to addressing risks of harm from the kinds of such content that have been identified in the most recent children’s risk assessment (if any have been identified). 35

 - (i) the use of proactive technology on a search service results in content relating to that interested person no longer appearing in search results or being given a lower priority in search results, and 25
 - (ii) the interested person considers that the proactive technology has been used in a way not contemplated by, or in breach of, the provider’s policies on its use (for example, by affecting content not of a kind specified in those policies as a kind of content in relation to which the technology would operate). 30

Services likely to be accessed by children

Interpretation

- (6) In this section – 5
 “affected person” has the meaning given by section 26;
 “interested person” has the meaning given by section 203(7).
- (7) See also, in relation to duties set out in this section, section 28 (duties about freedom of expression and privacy).

CHAPTER 4

CHILDREN'S ACCESS ASSESSMENTS

30 Children's access assessments

- (1) In this Part, a “children's access assessment” means an assessment of a Part 3 service – 5
 - (a) to determine whether it is possible for children to access the service or a part of the service, and
 - (b) if it is possible for children to access the service or a part of the service, to determine whether the child user condition is met in relation to the service or a part of the service. 10
- (2) A provider is only entitled to conclude that it is not possible for children to access a service, or a part of it, if there are systems or processes in place (for example, age verification, or another means of age assurance) that achieve the result that children are not normally able to access the service or that part of it.
- (3) The “child user condition” is met in relation to a service, or a part of a service, if – 15
 - (a) there is a significant number of children who are users of the service or of that part of it, or
 - (b) the service, or that part of it, is of a kind likely to attract a significant number of users who are children. 20
- (4) For the purposes of subsection (3) –
 - (a) the reference to a “significant” number includes a reference to a number which is significant in proportion to the total number of United Kingdom users of a service or (as the case may be) a part of a service;
 - (b) whether the test in paragraph (a) of that subsection is met is to be based on evidence about who actually uses a service, rather than who the intended users of the service are. 25
- (5) In this Chapter –
 - (a) references to children are to children in the United Kingdom;
 - (b) references to a part of a service do not include any part of a service that is not, or is not included in, a user-to-user part of a service or a search engine. 30

31 Duties about children's access assessments

- (1) A provider of a Part 3 service must carry out the first children's access assessment at a time set out in, or as provided by, Schedule 3. 35
- (2) Subsections (3) and (4) apply to a provider of a Part 3 service during any period when the service is not treated as likely to be accessed by children (see section 32).
- (3) The provider must carry out children's access assessments of the service not more than one year apart. 40
- (4) The provider must carry out a children's access assessment of the service –
 - (a) before making any significant change to any aspect of the service's design or operation to which such an assessment is relevant,

- (b) in response to evidence about reduced effectiveness of any systems or processes that are in place as mentioned in section 30(2), or
 - (c) in response to evidence about a significant increase in the number of children using the service.
- (5) If a person is the provider of more than one Part 3 service, children's access assessments must be carried out for each service separately. 5
- (6) Children's access assessments must be suitable and sufficient for the purposes of this Part.
- (7) A provider must make and keep a written record, in an easily understandable form, of every children's access assessment. 10

32 Meaning of "likely to be accessed by children"

- (1) For the purposes of this Part, a Part 3 service is to be treated as "likely to be accessed by children" in the following three cases (with the result that the duties set out in sections 10 and 11, or (as the case may be) sections 24 and 25, apply in relation to the service). 15
- (2) The first case is where a children's access assessment carried out by the provider of the service concludes that—
- (a) it is possible for children to access the service or a part of it, and
 - (b) the child user condition is met in relation to—
 - (i) the service, or
 - (ii) a part of the service that it is possible for children to access. 20
- This subsection is to be interpreted consistently with section 30.
- (3) In that case, the service is to be treated as likely to be accessed by children from the date on which the children's access assessment is completed.
- (4) The second case is where the provider of the service fails to carry out the first children's access assessment as required by section 31(1). 25
- (5) In that case—
- (a) the service is to be treated as likely to be accessed by children from the date by which the first children's access assessment was required to have been completed (see Part 1 of Schedule 3), and
 - (b) the service is to continue to be treated as likely to be accessed by children by reason of subsection (4) until such time as the provider completes the first children's access assessment of the service. 30
- (6) The third case is where, following an investigation into a failure to comply with a duty set out in section 31, OFCOM determine that a service should be treated as likely to be accessed by children: see section 124(4) and (5). 35
- (7) In that case, the service is to be treated as likely to be accessed by children from the date of, or specified in, the confirmation decision given to the provider of the service (as the case may be: see section 124(5)).

CHAPTER 5

- (4) If a person is the provider of more than one Category 1 service, the duties set out in this section apply in relation to each such service. 25
- (5) In determining what is proportionate for the purposes of this section, the following factors, in particular, are relevant –
- (a) the nature, and severity, of potential harm to individuals presented by different kinds of fraudulent advertisement, and
 - (b) the degree of control a provider has in relation to the placement of advertisements on the service. 30
- (6) In the case of a Category 1 service which is a combined service, the duties set out in this section do not extend to –
- (a) fraudulent advertisements that may be encountered in search results of the service or, following a search request, as a result of subsequent interactions with internet services, or 35
 - (b) anything relating to the design, operation or use of the search engine.
- But if the service is also a Category 2A service, the duties set out in section 34 apply as well as the duties set out in this section.
- (7) The duties set out in this section extend only to the design, operation and use of a Category 1 service in the United Kingdom. 40

 - (c) where the provider is alerted by a person to the fact that such content may be so encountered, or becomes aware of that fact in any other way, swiftly ensure that individuals are no longer able to encounter such content in or via search results of the service. 10
- (2) A provider of a Category 2A service must include clear and accessible provisions in a publicly available statement giving information about any proactive technology used by the service for the purpose of compliance with the duty set out in subsection (1) (including the kind of technology, when it is used, and how it works). 15
- (3) In relation to a Category 2A service, an advertisement is a “fraudulent advertisement” if –
- (a) it is a paid-for advertisement (see section 211), and
 - (b) it amounts to an offence specified in section 35 (construed in accordance with section 53: see subsections (3), (11) and (12) of that section). 20
- (4) The references to encountering fraudulent advertisements “in or via search results” of a search service –
- (a) are references to encountering fraudulent advertisements – 25
 - (i) in search results of the service, or
 - (ii) as a result of interacting with a paid-for advertisement in search results of the service (for example, by clicking on it);
 - (b) do not include references to encountering fraudulent advertisements as a result of any subsequent interactions with an internet service other than the search service. 30
- (5) If a person is the provider of more than one Category 2A service, the duties set out in this section apply in relation to each such service.
- (6) In determining what is proportionate for the purposes of this section, the following factors, in particular, are relevant – 35
- (a) the nature, and severity, of potential harm to individuals presented by different kinds of fraudulent advertisement, and
 - (b) the degree of control a provider has in relation to the placement of advertisements on the service.
- (7) The duties set out in this section extend only to the design, operation and use of a Category 2A service in the United Kingdom. 40
- (8) For the meaning of “Category 2A service”, see section 86 (register of categories of services).

- (3) If, within the 40-day period, either House of Parliament resolves not to approve the draft –
- (a) OFCOM must not issue the code of practice in the form of that draft, and
 - (b) OFCOM must prepare another draft of the code of practice under section 36. 35
- (4) If no such resolution is made within that period –
- (a) OFCOM must issue the code of practice in the form of the draft laid before Parliament, and
 - (b) the code of practice comes into force at the end of the period of 21 days beginning with the day on which it is issued. 40
- (5) “The 40-day period” is the period of 40 days beginning with the day on which the draft is laid before Parliament (or, if it is not laid before each House of Parliament on the same day, the later of the days on which it is laid).

- (6) In calculating the 40-day period, no account is to be taken of any period during which Parliament is dissolved or prorogued or during which both Houses are adjourned for more than 4 days.
- (7) This section applies in relation to a draft of amendments of a code of practice prepared under section 36 as it applies in relation to a draft of a code of practice prepared under that section. 5
- (8) This section is subject to section 43 (minor amendments of codes of practice).

39 Secretary of State’s powers of direction

- (1) The Secretary of State may direct OFCOM to modify a draft of a code of practice submitted under section 38(1) if the Secretary of State believes that modifications are required – 10
- (a) for reasons of public policy, or
 - (b) in the case of a terrorism or CSEA code of practice, for reasons of national security or public safety.
- (2) But if a draft of a terrorism or CSEA code of practice is submitted under section 38(1) following a review under section 42(2), the Secretary of State may only direct OFCOM to modify the draft if the Secretary of State believes that modifications are required for reasons of national security or public safety. 15
- (3) If, following a review of a terrorism or CSEA code of practice under section 42(2), OFCOM submit a statement to the Secretary of State under section 42(3)(b) (“OFCOM’s review statement”), the Secretary of State may direct OFCOM to modify the code of practice if the Secretary of State believes that modifications are required for reasons of national security or public safety. 20
- (4) A direction given under subsection (3) – 25
- (a) must be given within the period of 45 days beginning with the day on which OFCOM’s review statement is submitted to the Secretary of State, and
 - (b) must make particular reference to OFCOM’s review statement.
- (5) A direction given under this section – 30
- (a) may not require OFCOM to include in a code of practice provision about a particular measure recommended to be taken or used by providers of Part 3 services, and
 - (b) must set out the Secretary of State’s reasons for requiring modifications, except in a case where the Secretary of State considers that doing so would be against the interests of national security, public safety or relations with the government of a country outside the United Kingdom. 35
- (6) If the Secretary of State gives a direction under this section, OFCOM must, as soon as reasonably practicable – 40
- (a) comply with the direction,
 - (b) submit to the Secretary of State a draft of the code of practice modified in accordance with the direction,
 - (c) submit to the Secretary of State a document containing – 45
 - (i) (except in a case mentioned in subsection (5)(b)) details of the direction, and

- (ii) details about how the draft has been revised in response to the direction, and
- (d) inform the Secretary of State about modifications that OFCOM have made to the draft that are not in response to the direction (if there are any). 5
- (7) The Secretary of State may give OFCOM one or more further directions requiring OFCOM to modify the draft of the code of practice.
- (8) Such further directions may only be given for the reasons set out in subsection (1), (2) or (3) (as the case may be), and subsections (5) and (6) apply again in relation to such further directions. 10
- (9) When the Secretary of State is satisfied that no further modifications to the draft are required, the Secretary of State must, as soon as reasonably practicable, lay before Parliament –
 - (a) the modified draft,
 - (b) any document submitted by OFCOM as mentioned in subsection (6)(c), and 15
 - (c) in the case of a direction under subsection (3), OFCOM’s review statement.
- (10) Before laying OFCOM’s review statement before Parliament, the Secretary of State may, with OFCOM’s agreement, remove or obscure information in the statement (whether by redaction or otherwise) in order to prevent the disclosure of matters that the Secretary of State considers would be against the interests of national security, public safety or relations with the government of a country outside the United Kingdom. 20
- (11) This section applies in relation to a draft of amendments of a code of practice submitted under section 38(1) as it applies in relation to a draft of a code of practice submitted under that provision. 25
- (12) In this section “terrorism or CSEA code of practice” means a code of practice under section 36(1) or (2).
- 40 Procedure for issuing codes of practice following direction under section 39** 30
- (1) This section sets out the procedure that applies where a draft of a code of practice is laid before Parliament under section 39(9).
- (2) If the draft contains modifications made following a direction given under section 39(1)(a), the affirmative procedure applies.
- (3) If the draft contains modifications made following a direction given under section 39(1)(b), (2) or (3), the negative procedure applies. 35
- (4) The “affirmative procedure” is as follows –
 - (a) a code of practice in the form of the draft laid before Parliament must not be issued by OFCOM unless the draft has been approved by a resolution of each House of Parliament; 40
 - (b) if the draft is so approved, the code of practice comes into force at the end of the period of 21 days beginning with the day on which it is issued;
 - (c) if the draft is not so approved, OFCOM must prepare another draft of the code of practice under section 36. 45

- (5) The “negative procedure” is as follows –
- (a) if, within the 40-day period, either House of Parliament resolves not to approve the draft –
 - (i) OFCOM must not issue the code of practice in the form of that draft, and 5
 - (ii) OFCOM must prepare another draft of the code of practice under section 36;
 - (b) if no such resolution is made within that period –
 - (i) OFCOM must issue the code of practice in the form of the draft laid before Parliament, and 10
 - (ii) the code of practice comes into force at the end of the period of 21 days beginning with the day on which it is issued.
- (6) “The 40-day period” has the same meaning as in section 38 (see subsections (5) and (6) of that section).
- (7) This section applies in relation to a draft of amendments of a code of practice laid before Parliament under section 39(9) as it applies in relation to a draft of a code of practice laid under that provision. 15

41 Publication of codes of practice

- (1) OFCOM must publish each code of practice issued under section 38 or 40 within the period of three days beginning with the day on which it is issued. 20
- (2) Where amendments of a code of practice are issued under either of those sections, OFCOM must publish the amended code of practice within the period of three days beginning with the day on which the amendments are issued.
- (3) Where a code of practice is withdrawn, OFCOM must publish a notice to that effect. 25

42 Review of codes of practice

- (1) OFCOM must keep under review each code of practice published under section 41.
- (2) The Secretary of State may require OFCOM to review a terrorism or CSEA code of practice published under section 41 if the Secretary of State considers a review to be necessary for reasons of national security or public safety (and the Secretary of State must notify OFCOM whether the reasons fall into the category of national security or public safety). 30
- (3) OFCOM must carry out a review of the code of practice under subsection (2) as soon as reasonably practicable, and when it is completed – 35
 - (a) if OFCOM consider that changes are required, they must prepare a draft of amendments to the code of practice or a draft of a replacement code of practice under section 36, or
 - (b) if OFCOM consider that no changes are required, they must submit to the Secretary of State a statement which explains the reasons for that conclusion. 40
- (4) Subsection (5) applies if –
 - (a) OFCOM submit a statement under subsection (3)(b) to the Secretary of State,

- (b) the period of 45 days beginning with the day on which the statement was submitted has elapsed, and
- (c) the Secretary of State has not given a direction under section 39(3).
- (5) OFCOM must publish the statement as soon as reasonably practicable after the end of the period mentioned in subsection (4)(b), making it clear which code of practice the statement relates to. 5
- (6) In advance of publication, the Secretary of State may make representations to OFCOM about the desirability of removing or obscuring information in the statement (whether by redaction or otherwise) in order to prevent the disclosure of matters that the Secretary of State considers would be against the interests of national security, public safety or relations with the government of a country outside the United Kingdom (and see also section 106(3)). 10
- (7) In this section “terrorism or CSEA code of practice” means a code of practice under section 36(1) or (2).
- 43 Minor amendments of codes of practice 15**
- (1) This section applies if –
- (a) OFCOM propose to amend a code of practice under section 36, and
- (b) OFCOM consider that the minor nature of the proposal means that –
- (i) consultation is unnecessary, and
- (ii) the proposed amendments should not be required to be laid before Parliament. 20
- (2) OFCOM must notify the Secretary of State of the proposed amendments.
- (3) If the Secretary of State agrees with OFCOM that it is appropriate –

 - (b) any charging year after the first fee-paying year where – 30
 - (i) the previous charging year was not a fee-paying year in relation to the provider, and the charging year in question is a fee-paying year in relation to the provider, or
 - (ii) the previous charging year was a fee-paying year in relation to the provider, and the charging year in question is not a fee-paying year in relation to the provider.
- (2) A “fee-paying year”, in relation to a provider, means a charging year where both of the following conditions apply – 35
- (a) the provider’s qualifying worldwide revenue for the qualifying period that relates to that charging year is equal to or greater than the threshold figure that has effect for that charging year (see section 77), and 40
 - (b) the provider is not exempt (see subsection (6)).
- (3) A notification under subsection (1) in relation to a charging year must include details of all regulated services provided by the provider, and where it is a notification under subsection (1)(a) or (b)(i), it must also include –

- (a) details of the provider’s qualifying worldwide revenue for the qualifying period that relates to that charging year, and
 - (b) supporting evidence, documents or other information of a kind described in, or about matters described in, regulations made by the Secretary of State. 5
- (4) Section 76 makes provision about a statement by OFCOM setting out what is meant by “qualifying worldwide revenue” and “qualifying period” in this section and section 75.
- (5) A notification under subsection (1) must be provided to OFCOM—
 - (a) in relation to the initial charging year, within four months of the date on which the first threshold figure under section 77 is published; 10
 - (b) in relation to subsequent charging years, at least six months before the beginning of the charging year to which the notification relates.
- (6) OFCOM may provide that particular descriptions of providers of regulated services are exempt for the purposes of this section and section 75 where— 15
 - (a) OFCOM consider that an exemption for such providers is appropriate, and
 - (b) the Secretary of State approves the exemption.
- (7) OFCOM may revoke such an exemption where they consider that it is no longer appropriate and the Secretary of State approves the revocation. 20
- (8) Exemptions, or revocations of exemptions, which are approved by the Secretary of State are to take effect from the beginning of a particular charging year.
- (9) Details of an exemption or revocation must be published by OFCOM at least six months before the beginning of the first charging year for which the exemption or revocation is to have effect. 25
- (10) But subsection (9) does not apply in relation to any exemptions which are to have effect for the initial charging year.
- (11) The Secretary of State must consult OFCOM before making regulations under subsection (3)(b). 30
- (12) For the purposes of this section and section 75, the “provider” of a regulated service, in relation to a charging year, includes a person who is the provider of the service for part of that year.

75 Duty to pay fees

- (1) OFCOM may require a provider of a regulated service to pay a fee in respect of a charging year which is a fee-paying year. 35
- (2) Where OFCOM require a provider of a regulated service to pay a fee in respect of a charging year, the fee is to be equal to the amount produced by a computation—
 - (a) made by reference to— 40
 - (i) the provider’s qualifying worldwide revenue for the qualifying period relating to that charging year, and
 - (ii) any other factors that OFCOM consider appropriate, and
 - (b) made in the manner that OFCOM consider appropriate.

- (3) For the purposes of this section and section 74 –
- (a) the amount of a provider’s qualifying worldwide revenue for a qualifying period, or
 - (b) the amount of a fee to be paid to OFCOM, or of an instalment of such a fee,
- is, in the event of a disagreement between the provider and OFCOM, the amount determined by OFCOM. 5
- (4) When determining fees payable under this section, OFCOM must do so in accordance with a statement of principles as mentioned in section 79(1).
- (5) Where a person is the provider of a regulated service for part of a charging year only, OFCOM may refund all or part of a fee paid to OFCOM under this section by that provider in respect of that year. 10
- (6) In this section, “fee-paying year” has the same meaning as in section 74.

76 OFCOM’s statement about “qualifying worldwide revenue” etc

- (1) For the purposes of sections 74 and 75, OFCOM must produce a statement giving information about – 15
- (a) the amounts which do, or do not, comprise a person’s “qualifying worldwide revenue”, and
 - (b) the period which is the “qualifying period” in relation to a charging year. 20
- (2) Provision contained in the statement as mentioned in subsection (1)(a) is also to apply for the purposes of determining the amount of penalties which OFCOM may impose under Chapter 6 of Part 7 (see paragraph 4 of Schedule 13), and must include provision about the application of that term to a group of entities for the purposes of paragraph 5 of that Schedule. 25
- (3) The statement may make different provision in relation to different kinds of regulated services.
- (4) Before producing the statement (including a revised or replacement statement), OFCOM must consult – 30
- (a) the Secretary of State,
 - (b) the Treasury, and
 - (c) such other persons as OFCOM consider appropriate.
- (5) OFCOM must keep the statement under review.
- (6) OFCOM must publish the statement (and any revised or replacement statement). 35
- (7) OFCOM must send a copy of the statement (and any revised or replacement statement) to the Secretary of State, and the Secretary of State must lay it before Parliament.

77 Threshold figure

- (1) OFCOM must carry out a consultation to inform the setting of the threshold figure for the purposes of sections 74 and 75, consulting such persons as they consider appropriate. 40

-
- (2) After the completion of the consultation, and having taken advice from OFCOM, the Secretary of State must determine the figure that the Secretary of State considers appropriate to be the threshold figure for those purposes.
- (3) The Secretary of State must –
- (a) publish, in such manner as the Secretary of State considers appropriate, a statement specifying the threshold figure, and
 - (b) lay a copy of that statement before Parliament.
- (4) The Secretary of State must keep the threshold figure under review.
- (5) If the Secretary of State considers that it may be appropriate to revise the threshold figure, the Secretary of State may request OFCOM to carry out a further consultation, and subsections (1) to (3) apply again.
- (6) A threshold figure is to take effect from the beginning of a particular charging year.
- (7) A statement specifying a threshold figure must be published at least nine months before the beginning of the first charging year for which that figure is to have effect.
- (8) But subsection (7) does not apply in relation to the first threshold figure published under this section.
- 78 Secretary of State’s guidance about fees**
- (1) The Secretary of State must issue guidance to OFCOM about the principles to be included in a statement of principles that OFCOM propose to apply in determining fees payable under section 75 (see section 79).
- (2) The Secretary of State must consult OFCOM before issuing, revising or replacing the guidance.
- (3) The guidance may not be revised or replaced more frequently than once every three years unless –
- (a) the guidance needs to be corrected because of an amendment, repeal or modification of any provision of this Part, or
 - (b) the revision or replacement is by agreement between the Secretary of State and OFCOM.
- (4) The Secretary of State must lay the guidance (including revised or replacement guidance) before Parliament.
- (5) The Secretary of State must publish the guidance (and any revised or replacement guidance).
- (6) In exercising any functions under this Part, OFCOM must have regard to the guidance for the time being published under this section.
- 79 OFCOM’s fees statements**
- (1) OFCOM may not require a provider of a regulated service to pay a fee under section 75 unless there is in force a statement of the principles that OFCOM propose to apply in determining fees payable under that section.

- (2) Those principles must be such as appear to OFCOM to be likely to secure, on the basis of such estimates of the likely costs as it is practicable for them to make –
 - (a) that on a year by year basis, the aggregate amount of the fees payable to OFCOM under section 75 is sufficient to meet, but does not exceed, the annual cost to OFCOM of the exercise of their online safety functions; 5
 - (b) that the fees required under section 75 are justifiable and proportionate having regard to the functions in respect of which they are imposed;
 - (c) that the relationship between meeting the cost of the exercise of those functions and the amounts of the fees is transparent. 10
- (3) A statement of principles mentioned in subsection (1) must (among other things) –
 - (a) include details relating to the computation model used to calculate fees payable under section 75, including details of factors mentioned in subsection (2)(a)(ii) of that section (if any), 15
 - (b) include details about the meaning of “qualifying worldwide revenue” and “qualifying period”, as set out in the statement under section 76 for the purposes of sections 74 and 75, and
 - (c) specify the threshold figure published in accordance with section 77. 20
- (4) Before making or revising such a statement of principles, OFCOM must consult such persons as they consider appropriate.
- (5) Such a statement of principles may make different provision in relation to different kinds of regulated services.
- (6) OFCOM must publish such a statement of principles (and any revised or replacement statement). 25
- (7) As soon as reasonably practicable after the end of each charging year, OFCOM must publish a statement setting out, in respect of that year –
 - (a) the aggregate amount of the fees payable under section 75 for that year that has been received by OFCOM, 30
 - (b) the aggregate amount of the fees payable under that section for that year that remains outstanding and is likely to be paid or recovered, and
 - (c) the cost to OFCOM of the exercise of their online safety functions.
- (8) Any deficit or surplus shown (after applying this subsection for all previous years) by a statement under subsection (7) must be carried forward and taken into account in determining what is required to satisfy the requirement imposed by virtue of subsection (2)(a) in relation to the following year. 35
- (9) For the purposes of this section OFCOM’s costs of the exercise of their online safety functions during a charging year include the costs of preparations for the exercise of their online safety functions incurred during that year. 40

80 Recovery of OFCOM’s initial costs

Schedule 10 makes provision about fees chargeable to providers of regulated services in connection with OFCOM’s recovery of costs incurred before the first day of the initial charging year.

CHAPTER 2

REGISTER OF CATEGORIES OF REGULATED USER-TO-USER SERVICES AND REGULATED SEARCH SERVICES

85 Meaning of threshold conditions etc

- | | |
|---|----|
| (1) Schedule 11 contains provision about regulations specifying the threshold conditions that a Part 3 service must meet to be included in the relevant part of the register established by OFCOM under section 86, and associated provision about the publication of OFCOM's advice. | 5 |
| (2) In this Chapter, “Category 1 threshold conditions”, “Category 2A threshold conditions” and “Category 2B threshold conditions” have the same meaning as in Schedule 11 (see paragraph 1(1), (2) and (3) of that Schedule). | 10 |
| (3) For the purposes of this Chapter – | |
| (a) a regulated user-to-user service meets the Category 1 threshold conditions if those conditions are met in relation to the user-to-user part of the service; | 15 |
| (b) a regulated search service or a combined service meets the Category 2A threshold conditions if those conditions are met in relation to the search engine of the service; | |
| (c) a regulated user-to-user service meets the Category 2B threshold conditions if those conditions are met in relation to the user-to-user part of the service; | 20 |
| (d) a regulated user-to-user service meets the conditions in section 88(2) if those conditions are met in relation to the user-to-user part of the service; | |
| (e) references to OFCOM assessing a service (to determine if it meets, or no longer meets, the relevant threshold conditions or the conditions in section 88(2)) are accordingly to be read as references to OFCOM assessing the relevant part (or parts) of a service. | 25 |

86 Register of categories of certain Part 3 services

- | | |
|---|----|
| (1) As soon as reasonably practicable after the first regulations under Schedule 11 come into force, OFCOM must comply with subsections (2) to (4). | 30 |
| (2) OFCOM must establish a register of particular categories of Part 3 services with – | |
| (a) one part for regulated user-to-user services meeting the Category 1 threshold conditions, | 35 |
| (b) one part for regulated search services and combined services meeting the Category 2A threshold conditions, and | |
| (c) one part for regulated user-to-user services meeting the Category 2B threshold conditions. | |
| (3) OFCOM must assess Part 3 services, as follows – | 40 |
| (a) OFCOM must assess each regulated user-to-user service which they consider is likely to meet the Category 1 threshold conditions, to determine whether the service does, or does not, meet those conditions; | |
| (b) OFCOM must assess each regulated search service and combined service which they consider is likely to meet the Category 2A threshold | 45 |

- conditions, to determine whether the service does, or does not, meet those conditions;
- (c) OFCOM must assess each regulated user-to-user service which they consider is likely to meet the Category 2B threshold conditions, to determine whether the service does, or does not, meet those conditions. 5
- (4) If OFCOM consider that a service meets the relevant threshold conditions, they must add entries relating to that service to the relevant part of the register established under subsection (2).
- (5) But –
- (a) if OFCOM consider that a regulated user-to-user service meets the Category 1 threshold conditions and the Category 2B threshold conditions (only), entries relating to that service are to be added to the part of the register established under subsection (2)(a) (only); 10
- (b) if OFCOM consider that a combined service meets the Category 1 threshold conditions, the Category 2A threshold conditions and the Category 2B threshold conditions, entries relating to that service are to be added to the parts of the register established under subsection (2)(a) and (b) (only). 15
- (6) If OFCOM consider that a combined service –
- (a) meets the Category 2A threshold conditions, and 20
- (b) meets either the Category 1 threshold conditions or the Category 2B threshold conditions (but not both),
- entries relating to that service are to be added to the part of the register established under subsection (2)(b) and to the part of the register established under subsection (2)(a) or (c) (whichever applies). 25
- (7) Each part of the register must contain –
- (a) the name, and a description, of each service that, in OFCOM's opinion, meets the relevant threshold conditions, and
- (b) the name of the provider of each such service.
- (8) OFCOM must publish the register. 30
- (9) When assessing whether a Part 3 service does, or does not, meet the relevant threshold conditions, OFCOM must take such steps as are reasonably practicable to obtain or generate information or evidence for the purposes of the assessment.
- (10) In this Act – 35
- (a) a “Category 1 service” means a regulated user-to-user service for the time being included in the part of the register established under subsection (2)(a);
- (b) a “Category 2A service” means a regulated search service or a combined service for the time being included in the part of the register established under subsection (2)(b); 40
- (c) a “Category 2B service” means a regulated user-to-user service for the time being included in the part of the register established under subsection (2)(c).

87 Duty to maintain register

- (1) If regulations are made under paragraph 1(1) of Schedule 11 which amend or replace regulations previously made under that provision, OFCOM must, as soon as reasonably practicable after the date on which the amending or replacement regulations come into force – 5
- (a) assess each regulated user-to-user service which they consider is likely to meet the new Category 1 threshold conditions, to determine whether the service does, or does not, meet those conditions, and
 - (b) make any necessary changes to the register.
- (2) If regulations are made under paragraph 1(2) of Schedule 11 which amend or replace regulations previously made under that provision, OFCOM must, as soon as reasonably practicable after the date on which the amending or replacement regulations come into force – 10
- (a) assess each regulated search service and combined service which they consider is likely to meet the new Category 2A threshold conditions, to determine whether the service does, or does not, meet those conditions, and 15
 - (b) make any necessary changes to the register.
- (3) If regulations are made under paragraph 1(3) of Schedule 11 which amend or replace regulations previously made under that provision, OFCOM must, as soon as reasonably practicable after the date on which the amending or replacement regulations come into force – 20
- (a) assess each regulated user-to-user service which they consider is likely to meet the new Category 2B threshold conditions, to determine whether the service does, or does not, meet those conditions, and 25
 - (b) make any necessary changes to the register.
- (4) At any other time, if OFCOM consider that a Part 3 service not included in a particular part of the register is likely to meet the threshold conditions relevant to that part, OFCOM must – 30
- (a) assess the service accordingly, and
 - (b) (subject to section 86(5)) if they consider that the service meets the relevant conditions, add entries relating to that service to that part of the register.
- (5) Nothing in subsection (3) or (4) requires OFCOM to assess a Category 1 service to determine whether the service meets the Category 2B threshold conditions. 35
- (6) A provider of a Part 3 service included in the register may at any time request OFCOM to remove entries relating to that service from the register, or from a particular part of the register.
- (7) If OFCOM are satisfied, on the basis of evidence submitted by a provider with such a request, that since the registration day there has been a change to the service or to regulations under paragraph 1 of Schedule 11 which appears likely to be relevant, OFCOM must – 40
- (a) assess the service, and
 - (b) notify the provider of OFCOM's decision.
- (8) OFCOM must remove entries relating to a Part 3 service from the relevant part of the register if, following an assessment of the service, they consider that it no longer meets the threshold conditions relevant to that part. 45

-
- (9) Section 86(9) applies to an assessment under this section as it applies to an assessment under section 86.
- (10) OFCOM must re-publish the register each time a change is made to it.
- (11) See section 150 for provision about appeals against a decision to include a service in the register (or in a particular part of the register), or not to remove a service from the register (or from a particular part of the register). 5
- (12) In this section –
 “the register” means the register established under section 86;
 “the registration day”, in relation to a Part 3 service, means –
 (a) the day on which entries relating to the service were added to the register, or to the particular part of the register in question, or
 (b) if later, the day on which OFCOM last completed an assessment of the service under subsection (1), (2), (3) or (7). 10
- 88 List of emerging Category 1 services** 15
- (1) As soon as reasonably practicable after the first regulations under paragraph 1(1) of Schedule 11 come into force (regulations specifying Category 1 threshold conditions), OFCOM must comply with subsections (2) and (3).
- (2) OFCOM must assess each regulated user-to-user service which they consider is likely to meet each of the following conditions, to determine whether the service does, or does not, meet them – 20
 (a) the first condition is that the number of United Kingdom users of the user-to-user part of the service is at least 75% of the figure specified in any of the Category 1 threshold conditions relating to number of users (calculating the number of users in accordance with the threshold condition in question); 25
 (b) the second condition is that –
 (i) at least one of the Category 1 threshold conditions relating to functionalities of the user-to-user part of the service is met, or
 (ii) if the regulations under paragraph 1(1) of Schedule 11 specify that a Category 1 threshold condition relating to a functionality of the user-to-user part of the service must be met in combination with a Category 1 threshold condition relating to another characteristic of that part of the service or a factor relating to that part of the service (see paragraph 1(4) of Schedule 11), at least one of those combinations of conditions is met. 30 35
- (3) OFCOM must prepare a list of regulated user-to-user services which meet the conditions in subsection (2).
- (4) The list must contain the following details about a service included in it – 40
 (a) the name of the service,
 (b) a description of the service,
 (c) the name of the provider of the service, and
 (d) a description of the Category 1 threshold conditions by reference to which the conditions in subsection (2) are met. 45

- (5) OFCOM must take appropriate steps to keep the list up to date, including by carrying out further assessments of regulated user-to-user services.
- (6) OFCOM must publish the list when it is first prepared and each time it is revised.
- (7) When assessing whether a service does, or does not, meet the conditions in subsection (2), OFCOM must take such steps as are reasonably practicable to obtain or generate information or evidence for the purposes of the assessment. 5
- (8) An assessment for the purposes of this section may be included in an assessment under section 86 or 87 (as the case may be) or carried out separately.

CHAPTER 3

10

RISK ASSESSMENTS OF REGULATED USER-TO-USER SERVICES AND REGULATED SEARCH SERVICES

89 OFCOM's register of risks, and risk profiles, of Part 3 services

- (1) OFCOM must carry out risk assessments to identify and assess the following risks of harm presented by Part 3 services of different kinds – 15
 - (a) the risks of harm to individuals in the United Kingdom presented by illegal content present on regulated user-to-user services and by the use of such services for the commission or facilitation of priority offences;
 - (b) the risk of harm to individuals in the United Kingdom presented by search content of regulated search services that is illegal content; 20
 - (c) the risk of harm to children in the United Kingdom, in different age groups, presented by content that is harmful to children.
- (2) The risk assessments must, among other things, identify characteristics of different kinds of Part 3 services that are relevant to such risks of harm, and assess the impact of those kinds of characteristics on such risks. 25
- (3) OFCOM –
 - (a) may combine assessment of any or all of the risks of harm mentioned in subsection (1), or may carry out separate assessments of those risks;
 - (b) in the case of the risk of harm mentioned in subsection (1)(c), may assess regulated user-to-user services and regulated search services separately or together. 30
- (4) The findings of each risk assessment are to be reflected, as soon as reasonably practicable after completion, in a register of risks of Part 3 services prepared and published by OFCOM.
- (5) As soon as reasonably practicable after completing their assessment of a risk of harm mentioned in a particular paragraph of subsection (1), OFCOM must prepare risk profiles for Part 3 services which relate to that risk of harm. 35
- (6) For the purposes of the risk profiles, OFCOM may group Part 3 services together in whichever way they consider appropriate, taking into account – 40
 - (a) the characteristics of the services, and
 - (b) the risk levels and other matters identified in the relevant risk assessment.
- (7) OFCOM must publish risk profiles prepared under this section.

- (8) OFCOM must from time to time review and revise the risk assessments and risk profiles so as to keep them up to date.
- (9) References in this section to Part 3 services –
- (a) in the case of a risk assessment or risk profiles which relate only to regulated user-to-user services or to regulated search services, are to be read as references to the kind of service in question; 5
 - (b) in the case of a risk assessment or risk profiles which relate only to the risk of harm mentioned in subsection (1)(a), are to be read as references to regulated user-to-user services;
 - (c) in the case of a risk assessment or risk profiles which relate only to the risk of harm mentioned in subsection (1)(b), are to be read as references to regulated search services. 10

- (8) For the meaning of “accredited” technology, see section 114(12) and (13).

112 Warning notices

- (1) OFCOM may give a notice under section 111(1) to a provider relating to a service or part of a service only after giving a warning notice to the provider that they intend to give such a notice relating to that service or that part of it. 20

 - (a) two separate warning notices have been given to the provider (one relating to the user-to-user part of the service and the other relating to the search engine), or 5
 - (b) a single warning notice relating to both the user-to-user part of the service and the search engine has been given to the provider.
- (5) A notice under section 111(1) may not be given to a provider until the period allowed by the warning notice for the provider to make representations has expired. 10

113 Matters relevant to a decision to give a notice under section 111(1)

- (1) This section specifies the matters which OFCOM must particularly consider in deciding whether it is necessary and proportionate to give a notice under section 111(1) relating to a Part 3 service to the provider of the service. 15
- (2) In the case of a notice requiring the use of accredited technology, the matters are as follows –
 - (a) the kind of service it is;
 - (b) the functionalities of the service; 20
 - (c) the user base of the service;
 - (d) in the case of a notice relating to a user-to-user service (or to the user-to-user part of a combined service), the prevalence of relevant content on the service, and the extent of its dissemination by means of the service; 25
 - (e) in the case of a notice relating to a search service (or to the search engine of a combined service), the prevalence of search content of the service that is relevant content;
 - (f) the level of risk of harm to individuals in the United Kingdom presented by relevant content, and the severity of that harm; 30
 - (g) the systems and processes used by the service which are designed to identify and remove relevant content;
 - (h) the extent to which the use of the specified technology would or might result in interference with users' right to freedom of expression within the law; 35
 - (i) the level of risk of the use of the specified technology resulting in a breach of any statutory provision or rule of law concerning privacy that is relevant to the use or operation of the service (including, but not limited to, any such provision or rule concerning the processing of personal data); 40
 - (j) whether the use of any less intrusive measures than the specified technology would be likely to achieve a significant reduction in the amount of relevant content.
- (3) The references to relevant content in subsection (2)(f), (g) and (j) are to –
 - (a) in the case of a user-to-user service (or the user-to-user part of a combined service), relevant content present on the service; 45
 - (b) in the case of a search service (or the search engine of a combined service), search content of the service that is relevant content.

- (4) In the case of a notice relating to the development or sourcing of technology, subsection (2) applies –
- (a) as if references to relevant content were to CSEA content, and
 - (b) with the omission of paragraphs (h), (i) and (j).
- (5) In this section –
- “relevant content” means terrorism content or CSEA content or both those kinds of content (depending on the kind, or kinds, of content in relation to which the specified technology is to operate);
 - “specified technology” means the technology to be specified in the notice under section 111(1).

114 Notices under section 111(1): supplementary

- (1) In this section “a notice” means a notice under section 111(1) (including a further notice under that provision).
- (2) If a provider is already using accredited technology in relation to the service in question, a notice may require the provider to use it more effectively (specifying the ways in which that must be done). 15
- (3) A notice relating to a user-to-user service (or to the user-to-user part of a combined service) may also require a provider to operate an effective complaints procedure allowing for United Kingdom users to challenge the provider for taking down content which they have generated, uploaded or shared on the service. 20
- (4) A notice relating to a search service (or to the search engine of a combined service) may also require a provider to operate an effective complaints procedure allowing for an interested person (see section 203(7)) to challenge measures taken or in use by the provider that result in content relating to that interested person no longer appearing in search results of the service. 25
- (5) A notice given to a provider of a Part 3 service requiring the use of accredited technology is to be taken to require the provider to make such changes to the design or operation of the service as are necessary for the technology to be used effectively. 30
- (6) A notice requiring the use of accredited technology must –
- (a) give OFCOM’s reasons for their decision to give the notice,

- (8) A notice relating to the development or sourcing of technology must –
- (a) give OFCOM's reasons for their decision to give the notice, 5
 - (b) describe the purpose for which technology is required to be developed or sourced (see section 111(2)(a)(iii) and (iv) and (3)(a)(ii)),
 - (c) specify steps that the provider is required to take (including steps relating to the use of a system or process) in order to comply with the requirement described in section 111(2)(b) or (3)(b), or both those requirements (as the case may be), 10
 - (d) specify a reasonable period within which each of the steps specified in the notice must be taken,
 - (e) contain details of any other requirements imposed by the notice,

- (9) In deciding what period or periods to specify for steps to be taken in accordance with subsection (8)(d), OFCOM must, in particular, consider –
- (a) the size and capacity of the provider, and
 - (b) the state of development of technology capable of achieving the purpose described in the notice in accordance with subsection (8)(b). 25
- (10) A notice may impose requirements only in relation to the design and operation of a Part 3 service –
- (a) in the United Kingdom, or
 - (b) as it affects United Kingdom users of the service.
- (11) OFCOM may vary or revoke a notice given to a provider by notifying the provider to that effect. 30
- (12) For the purposes of this Chapter, technology is “accredited” if it is accredited (by OFCOM or another person appointed by OFCOM) as meeting minimum standards of accuracy in the detection of terrorism content or CSEA content (as the case may be). 35
- (13) Those minimum standards of accuracy must be such standards as are for the time being approved and published by the Secretary of State, following advice from OFCOM.

115 Review and further notice under section 111(1)

- (1) This section applies where OFCOM have given a provider of a Part 3 service a notice under section 111(1). 40
- (2) The power conferred by section 114(11) includes power to revoke the notice if there are reasonable grounds for believing that the provider is failing to comply with it.
- (3) If a notice is revoked as mentioned in subsection (2), OFCOM may give the provider a further notice under section 111(1) if they consider that it is 45

necessary and proportionate to do so (taking into account the matters mentioned in section 113).

- (4) Except where a notice under section 111(1) is revoked as mentioned in subsection (2), OFCOM must carry out a review of the provider's compliance with the notice – 5
- (a) in the case of a notice requiring the use of accredited technology, before the end of the period for which the notice has effect;
 - (b) in the case of a notice relating to the development or sourcing of technology, before the last date by which any step specified in the notice is required to be taken. 10
- (5) In the case of a notice requiring the use of accredited technology, the review must consider –
- (a) the extent to which the technology specified in the notice has been used, and
 - (b) the effectiveness of its use. 15
- (6) Following the review, and after consultation with the provider, OFCOM may give the provider a further notice under section 111(1) if they consider that it is necessary and proportionate to do so (taking into account the matters mentioned in section 113).
- (7) If a further notice under section 111(1) is given, subsections (3) to (6) apply again. 20
- (8) A further notice under section 111(1) may impose different requirements from an earlier notice under that provision.
- (9) Section 112 (warning notices) does not apply in relation to a further notice under section 111(1). 25

116 OFCOM's guidance about functions under this Chapter

- (1) OFCOM must produce guidance for providers of Part 3 services about how OFCOM propose to exercise their functions under this Chapter.
- (2) Before producing the guidance (including revised or replacement guidance), OFCOM must consult the Information Commissioner. 30
- (3) OFCOM must keep the guidance under review.
- (4) OFCOM must publish the guidance (and any revised or replacement guidance).
- (5) In exercising their functions under this Chapter, or deciding whether to exercise them, OFCOM must have regard to the guidance for the time being published under this section. 35

- (a) the exercise of their functions under this Chapter, and
 - (b) technology which meets, or is in the process of development so as to meet, minimum standards of accuracy (see subsections (12) and (13) of section 114) for the purposes of this Chapter. 40

- (2) OFCOM must send a copy of the report to the Secretary of State, and the Secretary of State must lay it before Parliament.
- (3) For further provision about reports under this section, see section 149.

118 Interpretation of this Chapter

- In this Chapter – 5
- “search content” has the same meaning as in Part 3 (see section 51);
 - “search results” has the meaning given by section 51(3);
 - “terrorism content” and “CSEA content” have the same meaning as in Part 3 (see section 53).

CHAPTER 6 10

ENFORCEMENT POWERS

Provisional notices and confirmation decisions

119 Provisional notice of contravention

- (1) OFCOM may give a notice under this section (a “provisional notice of contravention”) relating to a regulated service to the provider of the service if they consider that there are reasonable grounds for believing that the provider has failed, or is failing, to comply with any enforceable requirement (see section 120) that applies in relation to the service. 15
- (2) OFCOM may also give a provisional notice of contravention to a person on either of the grounds in subsection (3). 20
- (3) The grounds are that –
 - (a) the person has been given an information notice and OFCOM consider that there are reasonable grounds for believing that the person has failed, or is failing, to comply with either of the duties set out in section 92(6) (duties in relation to information notices), or 25
 - (b) the person is required by a skilled person appointed under section 94 to give assistance to the skilled person, and OFCOM consider that there are reasonable grounds for believing that the person has failed, or is failing, to comply with the duty set out in subsection (6) of that section to give such assistance. 30
- (4) A provisional notice of contravention given to a person must –
 - (a) specify the duty or requirement with which (in OFCOM’s opinion) the person has failed, or is failing, to comply, and
 - (b) give OFCOM’s reasons for their opinion that the person has failed, or is failing, to comply with it. 35
- (5) A provisional notice of contravention may also contain details as mentioned in subsection (6) or (7), or both.
- (6) A provisional notice of contravention may specify steps that OFCOM consider the person needs to take in order to –
 - (a) comply with the duty or requirement, or 40
 - (b) remedy the failure to comply with it.

- (7) A provisional notice of contravention may state that OFCOM propose to impose a penalty on the person, and in such a case the notice must –
- (a) state the reasons why OFCOM propose to impose a penalty,
 - (b) state whether OFCOM propose to impose a penalty of a single amount, a penalty calculated by reference to a daily rate, or both penalties (see section 126(1)), 5
 - (c) indicate the amount of a penalty that OFCOM propose to impose, including (in relation to a penalty calculated by reference to a daily rate) the daily rate and how the penalty would be calculated,
 - (d) in relation to a penalty calculated by reference to a daily rate, specify or describe the period for which OFCOM propose that the penalty should be payable, and 10
 - (e) state the reasons for proposing a penalty of that amount, including any aggravating or mitigating factors that OFCOM propose to take into account. 15
- (8) A provisional notice of contravention given to a person must –
- (a) state that the person may make representations to OFCOM (with any supporting evidence) about the matters contained in the notice, and
 - (b) specify the period within which such representations may be made.
- (9) A provisional notice of contravention may be given in respect of a failure to comply with more than one enforceable requirement. 20
- (10) Where a provisional notice of contravention is given in respect of a continuing failure, the notice may be given in respect of any period during which the failure has continued, and must specify that period.
- (11) Where a provisional notice of contravention is given to a person in respect of a failure to comply with a duty or requirement (“the first notice”), a further provisional notice of contravention in respect of a failure to comply with that same duty or requirement may be given to the person only – 25
- (a) in respect of a separate instance of the failure after the first notice was given, 30
 - (b) where a period was specified in the first notice in accordance with subsection (10), in respect of the continuation of the failure after the end of that period, or
 - (c) if the first notice has been withdrawn (without a confirmation decision being given to the person in respect of the failure). 35

121 Confirmation decisions

- (1) This section applies if –
- (a) OFCOM have given a provisional notice of contravention to a person in relation to a failure to comply with a duty or requirement (or with duties or requirements), and 20
 - (b) the period allowed for representations has expired.
- A duty or requirement to which the provisional notice of contravention relates is referred to in this section as a “notified requirement”.
- (2) If, after considering any representations and evidence, OFCOM decide not to give the person a notice under this section, they must inform the person of that fact. 25
- (3) If OFCOM are satisfied that the person has failed, or has been failing, to comply with a notified requirement, OFCOM may give the person a notice under this section (a “confirmation decision”) confirming that that is OFCOM’s opinion. 30
- (4) A confirmation decision and a notice under section 111(1) may be given in respect of the same failure.
- (5) A confirmation decision given to a person may –
- (a) require the person to take steps as mentioned in section 122;
 - (b) require the person to pay a penalty as mentioned in section 126; 35
 - (c) require the person to do both those things (or neither of them).
- (6) See sections 123 and 124 for further provision which a confirmation decision may include in cases of failure to comply with duties about risk assessments or children’s access assessments.

122 Confirmation decisions: requirements to take steps

- (1) A confirmation decision may require the person to whom it is given to take such steps as OFCOM consider appropriate (including steps relating to the use of a system or process) for either or both of the following purposes –
 - (a) complying with a notified requirement; 5
 - (b) remedying the failure to comply with a notified requirement.
- (2) But see section 125 for constraints on OFCOM's power to include in a confirmation decision requirements as described in subsection (1) relating to the use of proactive technology.

- (6) A person to whom a confirmation decision is given has a duty to comply with requirements included in the decision which are of a kind described in subsection (1).
- (7) The duty under subsection (6) is enforceable in civil proceedings by OFCOM –

 - (c) OFCOM consider that the identified risk is not effectively mitigated or managed. 10
- (2) A confirmation decision given to the provider of the service –
- (a) if the identified risk relates to matters required to be covered by an illegal content risk assessment, may include a determination that the duty set out in section 9(2)(b) or (c) or 23(2) (as the case may be) applies as if an illegal content risk assessment carried out by the provider had identified that risk; 15
 - (b) if the identified risk relates to matters required to be covered by a children's risk assessment, may include a determination that the duty set out in section 11(2)(a) or 25(2)(a) (as the case may be) applies as if a children's risk assessment carried out by the provider had identified that risk. 20
- (3) A confirmation decision which includes a determination as mentioned in subsection (2) must –
- (a) give details of the identified risk,
 - (b) specify the duty to which the determination relates, and 25
 - (c) specify the date by which measures (at the provider's discretion) to comply with that duty must be taken or must begin to be used.
- (4) A determination as mentioned in subsection (2) ceases to have effect on the date on which the provider of the service complies with the risk assessment duty with which the provider had previously failed to comply (and accordingly, from that date the duty to which the determination relates applies without the modification mentioned in that subsection). 30
- (5) In this section –
- "children's risk assessment" has the meaning given by section 10 or 24 (as the case may be); 35

- (2) If OFCOM include in a confirmation decision a requirement to take steps relating to the carrying out of a children's access assessment of a service, they must require that assessment to be completed within three months of the date of the confirmation decision.
- (3) OFCOM may vary a confirmation decision which includes a requirement as mentioned in subsection (2) to extend the deadline for completion of a children's access assessment. 5
- (4) Subsection (5) applies if, based on evidence that OFCOM have about a service resulting from their investigation into compliance with a duty set out in section 31, OFCOM consider that – 10

-
- (a) user-generated content communicated publicly, and
(b) metadata relating to user-generated content communicated publicly.
- (5) Before imposing a proactive technology requirement in relation to a service in a confirmation decision, OFCOM must particularly consider the matters mentioned in subsection (6), so far as they are relevant. 5
- (6) The matters are as follows –
- (a) the kind of service it is;
- (b) the functionalities of the service;

- (h) the level of risk of the use of the kind of proactive technology specified in the decision resulting in a breach of any statutory provision or rule of law concerning privacy that is relevant to the use or operation of the service (including, but not limited to, any such provision or rule concerning the processing of personal data); 25
- (i) whether the use of any less intrusive measures than the proactive technology specified in the decision would be likely to result in compliance with, or would be likely to effectively remedy the failure to comply with, the duty in question. 30
- (7) A confirmation decision that imposes a proactive technology requirement on a provider may also impose requirements about review of the technology by the provider.
- (8) A confirmation decision relating to a service which requires the use of technology of a kind mentioned in subsection (4) must identify the content, or parts of the service that include content, that OFCOM consider is communicated publicly on that service (see section 207). 35

- (a) the grounds in subsection (3) apply in relation to the service, or
 - (b) in the case of a Part 3 service, the grounds in subsection (4) apply in relation to the service. 30
- (2) A service restriction order is an order imposing requirements on one or more persons who provide an ancillary service (whether from within or outside the United Kingdom) in relation to a regulated service (see subsection (11)).
- (3) The grounds mentioned in subsection (1)(a) are that – 35
- (a) the provider of the regulated service has failed to comply with an enforceable requirement that applies in relation to the regulated service,
 - (b) the failure is continuing, and
 - (c) any of the following applies – 40
 - (i) the provider has failed to comply with a requirement imposed by a confirmation decision that is of a kind described in section 122(1) relating to the failure;

- (ii) the provider has failed to pay a penalty imposed by a confirmation decision relating to the failure (and the confirmation decision did not impose any requirements of a kind described in section 122(1));
 - (iii) the provider would be likely to fail to comply with requirements imposed by a confirmation decision if given; 5
 - (iv) the circumstances of the failure or the risks of harm to individuals in the United Kingdom are such that it is appropriate to make the application without having given a provisional notice of contravention, without having given a confirmation decision, or (having given a confirmation decision imposing requirements) without waiting to ascertain compliance with those requirements. 10
- (4) The grounds mentioned in subsection (1)(b) are that –
 - (a) the provider of the Part 3 service has failed to comply with a notice under section 111(1) that relates to the service (notices to deal with terrorism content and CSEA content), and 15
 - (b) the failure is continuing.
- (5) An application by OFCOM for a service restriction order must –
 - (a) specify the regulated service in relation to which the application is made (“the relevant service”), 20

 - (f) specify the requirements which OFCOM consider that the order should impose on such persons, and 30
 - (g) in the case of an application made without notice having been given to the non-compliant provider, or to the persons mentioned in paragraph (d), state why no notice has been given.
- (6) The court may make a service restriction order imposing requirements on a person in relation to the relevant service if the court is satisfied – 35

 - (c) that it is appropriate to make the order for the purpose of preventing harm to individuals in the United Kingdom, and the order is proportionate to the risk of such harm,
 - (d) in the case of an application made on the ground in subsection (3)(c)(iii) or (iv), that it is appropriate to make the order before a provisional notice of contravention or confirmation decision has been given, or before compliance with requirements imposed by a confirmation decision has been ascertained (as the case may be), and 45

-
- (e) if no notice of the application has been given to the non-compliant provider, or to the persons on whom requirements are being imposed, that it is appropriate to make the order without notice.
- (7) When considering whether to make a service restriction order in relation to the relevant service, and when considering what provision it should contain, the court must take into account (among other things) the rights and obligations of all relevant parties, including those of – 5
- (a) the non-compliant provider,
- (b) the person or persons on whom the court is considering imposing the requirements, and 10

- (d) specify the date by which the requirements in the order must be complied with, and
- (e) specify the date on which the order expires, or the period for which the order has effect.
- (9) The steps that may be specified or arrangements that may be required to be put in place – 25
- (a) include steps or arrangements that will or may require the termination of an agreement (whether or not made before the coming into force of this section), or the prohibition of the performance of such an agreement, and 30
- (b) are limited, so far as that is possible, to steps or arrangements relating to the operation of the relevant service as it affects United Kingdom users.
- (10) OFCOM must inform the Secretary of State as soon as reasonably practicable after a service restriction order has been made. 35
- (11) For the purposes of this section, a service is an “ancillary service” in relation to a regulated service if the service facilitates the provision of the regulated service (or part of it), whether directly or indirectly, or displays or promotes content relating to the regulated service (or to part of it).

- (a) the grounds in subsection (3) apply in relation to the service, or
 - (b) in the case of a Part 3 service, the grounds in subsection (4) apply in relation to the service. 10
- (2) An interim service restriction order is an interim order imposing requirements on one or more persons who provide an ancillary service (whether from within or outside the United Kingdom) in relation to a regulated service (see subsection (9)). 15
- (3) The grounds mentioned in subsection (1)(a) are that –
- (a) it is likely that the provider of the regulated service is failing to comply with an enforceable requirement that applies in relation to the regulated service, and
 - (b) the level of risk of harm to individuals in the United Kingdom relating to the likely failure, and the nature and severity of that harm, are such that it would not be appropriate to wait to establish the failure before applying for the order. 20
- (4) The grounds mentioned in subsection (1)(b) are that –
- (a) it is likely that the provider of the Part 3 service is failing to comply with a notice under section 111(1) that relates to the service (notices to deal with terrorism content and CSEA content), and 25
 - (b) the level of risk of harm to individuals in the United Kingdom relating to the likely failure, and the nature and severity of that harm, are such that it would not be appropriate to wait to establish the failure before applying for the order. 30
- (5) An application by OFCOM for an interim service restriction order must –
- (a) specify the regulated service in relation to which the application is made (“the relevant service”),
 - (b) specify the provider of that service (“the non-compliant provider”), 35
 - (c) specify the grounds on which the application is based, and contain evidence about those grounds,
 - (d) specify the persons on whom (in OFCOM’s opinion) the requirements of the order should be imposed,
 - (e) contain evidence as to why OFCOM consider that the persons mentioned in paragraph (d) provide an ancillary service in relation to the relevant service, and specify any such ancillary service provided, 40
 - (f) specify the requirements which OFCOM consider that the order should impose on such persons, and
 - (g) in the case of an application made without notice having been given to the non-compliant provider, or to the persons mentioned in paragraph (d), state why no notice has been given. 45

-
- (6) The court may make an interim service restriction order imposing requirements on a person in relation to the relevant service if the court is satisfied –
- (a) as to the ground in subsection (3)(a) or the ground in subsection (4)(a) (as the case may be), 5
 - (b) that the person provides an ancillary service in relation to the relevant service,
 - (c) that there are prima facie grounds to suggest that an application for a service restriction order under section 133 would be successful,
 - (d) that the level of risk of harm to individuals in the United Kingdom relating to the likely failure mentioned in subsection (3)(a) or (4)(a) (whichever applies), and the nature and severity of that harm, are such that it is not appropriate to wait for the failure to be established before making the order, and 10
 - (e) if no notice of the application has been given to the non-compliant provider, or to the persons on whom requirements are being imposed, that it is appropriate to make the order without notice. 15
- (7) An interim service restriction order ceases to have effect on the earlier of –
- (a) the date specified in the order, or the date on which the period specified in the order expires (as the case may be), and 20
 - (b) the date on which the court makes a service restriction order under section 133 in relation to the relevant service that imposes requirements on the same persons on whom requirements are imposed by the interim order, or dismisses the application for such an order.
- (8) Subsections (7) to (10) of section 133 apply in relation to an interim service restriction order under this section as they apply in relation to a service restriction order under that section. 25
- (9) In this section, “ancillary service” and “the court” have the same meaning as in section 133 (see subsections (11), (12) and (13) of that section).
- 135 Access restriction orders** 30
- (1) OFCOM may apply to the court for an order under this section (an “access restriction order”) in relation to a regulated service where they consider that –
- (a) the grounds in section 133(3) or (4) apply in relation to the service, and
 - (b) either –
 - (i) a service restriction order under section 133 or an interim service restriction order under section 134 has been made in relation to the failure, and it was not sufficient to prevent significant harm arising to individuals in the United Kingdom as a result of the failure, or 35
 - (ii) the likely consequences of the failure are such that if a service restriction order or an interim service restriction order were to be made, it would be unlikely to be sufficient to prevent significant harm arising to individuals in the United Kingdom as a result of the failure, 40
- and in this paragraph, “the failure” means the failure mentioned in section 133(3)(a) or (4)(a) (as the case may be). 45

- (2) An access restriction order is an order imposing requirements on one or more persons who provide an access facility (whether from within or outside the United Kingdom) in relation to a regulated service (see subsection (10)).
- (3) An application by OFCOM for an access restriction order must –
- (a) specify the regulated service in relation to which the application is made (“the relevant service”), 5
 - (b) specify the provider of that service (“the non-compliant provider”),
 - (c) specify the grounds on which the application is based, and contain evidence about those grounds,
 - (d) specify the persons on whom (in OFCOM’s opinion) the requirements of the order should be imposed, 10
 - (e) contain evidence as to why OFCOM consider that the persons mentioned in paragraph (d) provide an access facility in relation to the relevant service, and specify any such access facility provided,
 - (f) specify the requirements which OFCOM consider that the order should impose on such persons, and 15
 - (g) in the case of an application made without notice having been given to the non-compliant provider, or to the persons mentioned in paragraph (d), state why no notice has been given.
- (4) The court may make an access restriction order imposing requirements on a person in relation to the relevant service if the court is satisfied – 20
- (a) as to the grounds in subsection (1),
 - (b) that the person provides an access facility in relation to the relevant service,
 - (c) that it is appropriate to make the order for the purpose of preventing significant harm to individuals in the United Kingdom, and the order is proportionate to the risk of such harm, 25
 - (d) in the case of an application made on the ground in subsection (3)(c)(iii) or (iv) of section 133 (by virtue of subsection (1)(a)), that it is appropriate to make the order before a provisional notice of contravention or confirmation decision has been given, or before compliance with requirements imposed by a confirmation decision has been ascertained (as the case may be), and 30
 - (e) if no notice of the application has been given to the non-compliant provider, or to the persons on whom requirements are being imposed, that it is appropriate to make the order without notice. 35
- (5) When considering whether to make an access restriction order in relation to the relevant service, and when considering what provision it should contain, the court must take into account (among other things) the rights and obligations of all relevant parties, including those of – 40
- (a) the non-compliant provider,
 - (b) the person or persons on whom the court is considering imposing the requirements, and
 - (c) United Kingdom users of the relevant service.
- (6) An access restriction order made in relation to the relevant service must – 45
- (a) identify the non-compliant provider,
 - (b) identify the persons on whom the requirements are imposed, and any access facility to which the requirements relate,

-
- (c) require such persons to take the steps specified in the order, or to put in place arrangements, to withdraw, adapt or manipulate the access facility in order to impede users' access (by means of that facility) to the relevant service (or to part of it),
 - (d) specify the date by which the requirements in the order must be complied with, and 5
 - (e) specify the date on which the order expires, or the period for which the order has effect.
 - (7) The steps that may be specified or arrangements that may be required to be put in place – 10
 - (a) include steps or arrangements that will or may require the termination of an agreement (whether or not made before the coming into force of this section), or the prohibition of the performance of such an agreement,
 - (b) are limited, so far as that is possible, to steps or arrangements that impede the access of United Kingdom users, and 15
 - (c) are limited, so far as that is possible, to steps or arrangements that do not affect such users' ability to access any other internet services.
 - (8) OFCOM must inform the Secretary of State as soon as reasonably practicable after an access restriction order has been made. 20
 - (9) Where a person who provides an access facility takes steps or puts in place arrangements required by an access restriction order, OFCOM may, by notice, require that person to (where possible) notify persons in the United Kingdom who attempt to access the relevant service via that facility of the access restriction order (and where a confirmation decision has been given to the non-compliant provider, the notification must refer to that decision). 25
 - (10) For the purposes of this section, a facility is an "access facility" in relation to a regulated service if the person who provides the facility is able to withdraw, adapt or manipulate it in such a way as to impede access (by means of that facility) to the regulated service (or to part of it) by United Kingdom users of that service. 30
 - (11) Examples of access facilities include –
 - (a) internet access services by means of which a regulated service is made available, and
 - (b) app stores through which a mobile app for a regulated service may be downloaded or otherwise accessed. 35
 - (12) In this section –
 - "the court" means –
 - (a) in England and Wales, the High Court or the county court,
 - (b) in Scotland, the Court of Session or a sheriff, and 40
 - (c) in Northern Ireland, the High Court or a county court;
 - "facility" means any kind of service, infrastructure or apparatus enabling users of a regulated service to access the regulated service;
 - "internet access service" means a service that provides access to virtually all (or just some) of the end points of the internet. 45

136 Interim access restriction orders

- (1) OFCOM may apply to the court for an interim order under this section (an “interim access restriction order”) in relation to a regulated service where they consider that –
- (a) the grounds in section 134(3) or (4) apply in relation to the service, and 5
 - (b) either –
 - (i) a service restriction order under section 133 or an interim service restriction order under section 134 has been made in relation to the likely failure, and it was not sufficient to prevent significant harm arising to individuals in the United Kingdom as a result of the failure, or 10
 - (ii) the likely consequences of such a failure would be such that if a service restriction order or an interim service restriction order were to be made, it would be unlikely to be sufficient to prevent significant harm arising to individuals in the United Kingdom as a result of the failure, 15and in this section, “the likely failure” means the likely failure mentioned in section 134(3)(a) or (4)(a) (as the case may be).
- (2) An interim access restriction order is an interim order imposing requirements on one or more persons who provide an access facility (whether from within or outside the United Kingdom) in relation to a regulated service (see subsection (8)). 20
- (3) An application by OFCOM for an interim access restriction order must –
- (a) specify the regulated service in relation to which the application is made (“the relevant service”), 25
 - (b) specify the provider of that service (“the non-compliant provider”),
 - (c) specify the grounds on which the application is based, and contain evidence about those grounds,
 - (d) specify the persons on whom (in OFCOM’s opinion) the requirements of the order should be imposed, 30
 - (e) contain evidence as to why OFCOM consider that the persons mentioned in paragraph (d) provide an access facility in relation to the relevant service, and specify any such access facility provided,
 - (f) specify the requirements which OFCOM consider that the order should impose on such persons, and 35
 - (g) in the case of an application made without notice having been given to the non-compliant provider, or to the persons mentioned in paragraph (d), state why no notice has been given.
- (4) The court may make an interim access restriction order imposing requirements on a person in relation to the relevant service if the court is satisfied – 40
- (a) that the ground in section 134(3)(a) or (4)(a) (as the case may be) applies in relation to the service,
 - (b) as to the ground in subsection (1)(b)(i) or (ii),
 - (c) that the person provides an access facility in relation to the relevant service, 45
 - (d) that there are prima facie grounds to suggest that an application for an access restriction order under section 135 would be successful,
 - (e) that the level of risk of harm to individuals in the United Kingdom relating to the likely failure, and the nature and severity of that harm,

- are such that it is not appropriate to wait for the failure to be established before making the order, and
- (f) if no notice of the application has been given to the non-compliant provider, or to the persons on whom requirements are being imposed, that it is appropriate to make the order without notice. 5
- (5) An interim access restriction order ceases to have effect on the earlier of –
- (a) the date specified in the order, or the date on which the period specified in the order expires (as the case may be), and
- (b) the date on which the court makes an access restriction order under section 135 in relation to the relevant service that imposes requirements on the same persons on whom requirements are imposed by the interim order, or dismisses an application for such an order. 10
- (6) Subsections (5) to (8) of section 135 apply in relation to an interim access restriction order under this section as they apply in relation to an access restriction order under that section. 15
- (7) Where a person who provides an access facility takes steps or puts in place arrangements required by an interim access restriction order, OFCOM may, by notice, require that person to (where possible) notify persons in the United Kingdom who attempt to access the relevant service via that facility of the interim access restriction order. 20
- (8) In this section, “access facility” and “the court” have the same meaning as in section 135 (see subsections (10), (11) and (12) of that section).

137 Interaction with other action by OFCOM

- (1) Where OFCOM apply for a business disruption order in respect of a failure by a provider of a regulated service to comply with an enforceable requirement, nothing in sections 133 to 136 is to be taken to prevent OFCOM also giving the provider – 25
- (a) a confirmation decision in respect of the failure, or
- (b) a penalty notice under section 128 in relation to a confirmation decision in respect of the failure. 30
- (2) Where OFCOM apply for a business disruption order in respect of a failure by a provider of a Part 3 service to comply with a notice under section 111(1) (notices to deal with terrorism content and CSEA content), nothing in sections 133 to 136 is to be taken to prevent OFCOM also giving the provider either or both of the following – 35
- (a) a further notice under section 111(1) (see section 115);
- (b) a penalty notice under section 129(5).
- (3) In this section, a “business disruption order” means – 40
- (a) a service restriction order under section 133,

 - (a) is confidential in accordance with subsections (4) and (5), or
 - (b) is otherwise not appropriate for publication.
- (4) A matter is confidential under this subsection if – 15
 - (a) it relates specifically to the affairs of a particular body, and
 - (b) publication of that matter would or might, in OFCOM's opinion, seriously and prejudicially affect the interests of that body.
- (5) A matter is confidential under this subsection if –

- (11) The duty under subsection (10) is enforceable in civil proceedings by OFCOM – 35

- (1) OFCOM must produce guidance for providers of regulated services about how OFCOM propose to exercise their functions under this Chapter.

- (7) But such a requirement may not be imposed –
 - (a) within the period of three years beginning with the date on which the first report is published, or
 - (b) more frequently than once every three years.

- (2) The statement is a statement prepared by the Secretary of State that sets out strategic priorities of His Majesty’s Government in the United Kingdom relating to online safety matters. 35
- (3) The statement may, among other things, set out particular outcomes identified with a view to achieving the strategic priorities.
- (4) This section does not restrict the Secretary of State’s powers under any other provision of this Act or any other enactment. 40

- (5) A statement designated under subsection (1) must be published in such manner as the Secretary of State considers appropriate.
- (6) A statement designated under subsection (1) may be amended (including by replacing the whole or a part of the statement with new material) by a subsequent statement designated under that subsection, and this section and sections 83 and 156 apply in relation to any such subsequent statement as they apply in relation to the original statement. 5
- (7) Except as provided by subsection (8), no amendment may be made under subsection (6) within the period of five years beginning with the day on which a statement was most recently designated under subsection (1). 10
- (8) An earlier amendment may be made under subsection (6) if –

 - (a) must make any changes to the draft that appear to the Secretary of State to be necessary in view of responses to the consultation, and 30
 - (b) must then lay the draft before Parliament.
- (5) The Secretary of State must then wait until the end of the 40-day period and may not designate the statement if, within that period, either House of Parliament resolves not to approve it.
- (6) “The 40-day period” is the period of 40 days beginning with the day on which the draft is laid before Parliament (or, if it is not laid before each House on the same day, the later of the days on which it is laid). 35

- (4) A “public statement notice” is a notice requiring a provider of a regulated service to make a publicly available statement, by a date specified in the notice, about steps the provider is taking in response to the threat presented by the circumstances mentioned in subsection (1).
- (5) OFCOM may, by a public statement notice or a subsequent notice, require a provider of a regulated service to provide OFCOM with such information as they may require for the purpose of responding to that threat. 35
- (6) If a direction under subsection (2) or (3) is given on the ground mentioned in subsection (1)(a), the Secretary of State must publish the reasons for giving the direction. 40
- (7) The Secretary of State may vary or revoke a direction given under subsection (2) or (3).

- (8) If the Secretary of State varies or revokes a direction given under subsection (3), OFCOM may, in consequence, vary or revoke a public statement notice that they have given by virtue of the direction.

 - (ii) provide higher levels of protection for children than for adults,

 - (v) protect users from a breach of any statutory provision or rule of law concerning privacy that is relevant to the use or operation of a regulated service (including, but not limited to, any such provision or rule concerning the processing of personal data); and 35
 - (b) ensuring that regulation of services is proportionate, having regard to the level of risk of harm presented by regulated services of different kinds and to the size and capacity of providers.
- (4) The review must also, in particular, consider –

PART 10

COMMUNICATIONS OFFENCES 25

False and threatening communications offences

162 False communications offence

- (1) A person commits an offence if –
(a) the person sends a message (see section 165),
(b) the message conveys information that the person knows to be false, 30
(c) at the time of sending it, the person intended the message, or the information in it, to cause non-trivial psychological or physical harm to a likely audience, and
(d) the person has no reasonable excuse for sending the message.
- (2) For the purposes of this offence an individual is a “likely audience” of a message if, at the time the message is sent, it is reasonably foreseeable that the individual – 35
(a) would encounter the message, or
(b) in the online context, would encounter a subsequent message forwarding or sharing the content of the message. 40

- (3) In a case where several or many individuals are a likely audience, it is not necessary for the purposes of subsection (1)(c) that the person intended to cause harm to any one of them in particular (or to all of them).
- (4) See section 163 for exemptions from the offence under this section.
- (5) A person who commits an offence under this section is liable – 5
- (a) on summary conviction in England and Wales, to imprisonment for a term not exceeding the maximum term for summary offences or a fine (or both);
- (b) on summary conviction in Northern Ireland, to imprisonment for a term not exceeding 6 months or a fine not exceeding level 5 on the standard scale (or both). 10
- (6) In subsection (5)(a) “the maximum term for summary offences” means –
- (a) if the offence is committed before the time when section 281(5) of the Criminal Justice Act 2003 comes into force, 6 months;
- (b) if the offence is committed after that time, 51 weeks. 15
- (7) Proceedings for an offence under this section may be brought within the period of 6 months beginning with the date on which evidence sufficient in the opinion of the prosecutor to justify the proceedings comes to the prosecutor’s knowledge.
- (8) But such proceedings may not be brought by virtue of subsection (7) more than 20
3 years after the commission of the offence.
- (9) A certificate signed by the prosecutor as to the date on which the evidence in question came to the prosecutor’s knowledge is conclusive evidence of the date on which it did so; and a certificate to that effect and purporting to be so signed is to be treated as being so signed unless the contrary is proved. 25

163 Exemptions from offence under section 162

- (1) A recognised news publisher cannot commit an offence under section 162.
- (2) An offence under section 162 cannot be committed by the holder of a licence under the Broadcasting Act 1990 or 1996 in connection with anything done under the authority of the licence. 30
- (3) An offence under section 162 cannot be committed by the holder of a multiplex licence in connection with anything done under the authority of the licence.
- (4) An offence under section 162 cannot be committed by the provider of an on-demand programme service in connection with anything done in the course of providing such a service. 35
- (5) An offence under section 162 cannot be committed in connection with the showing of a film made for cinema to members of the public.

164 Threatening communications offence

- (1) A person commits an offence if – 40
- (a) the person sends a message (see section 165),
- (b) the message conveys a threat of death or serious harm, and
- (c) at the time of sending it, the person –

- (i) intended an individual encountering the message to fear that the threat would be carried out, or
 - (ii) was reckless as to whether an individual encountering the message would fear that the threat would be carried out.
- (2) “Serious harm” means – 5
 - (a) serious injury amounting to grievous bodily harm within the meaning of the Offences against the Person Act 1861,
 - (b) rape,
 - (c) assault by penetration within the meaning of section 2 of the Sexual Offences Act 2003, or 10
 - (d) serious financial loss.
- (3) In proceedings for an offence under this section relating to a threat of serious financial loss, it is a defence for the person to show that – 15
 - (a) the threat was used to reinforce a reasonable demand, and
 - (b) the person reasonably believed that the use of the threat was a proper means of reinforcing the demand.
- (4) If evidence is adduced which is sufficient to raise an issue with respect to the defence under subsection (3), the court must assume that the defence is satisfied unless the prosecution proves beyond reasonable doubt that it is not.
- (5) A person who commits an offence under this section is liable – 20
 - (a) on summary conviction in England and Wales, to imprisonment for a term not exceeding the general limit in a magistrates’ court or a fine (or both);
 - (b) on summary conviction in Northern Ireland, to imprisonment for a term not exceeding 6 months or a fine not exceeding the statutory maximum (or both); 25
 - (c) on conviction on indictment, to imprisonment for a term not exceeding 5 years or a fine (or both).

165 Interpretation of sections 162 to 164

- (1) This section applies for the purposes of sections 162 to 164, and references in this section to an offence are to an offence under section 162 or 164. 30
- (2) A person “sends a message” if the person –
 - (a) sends, transmits or publishes a communication (including an oral communication) by electronic means, or
 - (b) sends, or gives to an individual, a letter or a thing of any other description, 35and references to a message are to be read accordingly.
- (3) A person also “sends a message” if the person –
 - (a) causes a communication (including an oral communication) to be sent, transmitted or published by electronic means, or 40
 - (b) causes a letter or a thing of any other description to be –
 - (i) sent, or
 - (ii) given to an individual.

- (4) But a provider of an internet service by means of which a communication is sent, transmitted or published is not to be regarded as a person who sends a message.
- (5) “Encounter”, in relation to a message, means read, view, hear or otherwise experience the message. 5
- (6) It does not matter whether the content of a message is created by the person who sends it (so for example, in the online context, an offence may be committed by a person who forwards another person’s direct message or shares another person’s post).
- (7) In the application of sections 162 to 164 to the sending by electronic means of a message consisting of or including a hyperlink to other content – 10
- (a) references to the message are to be read as including references to content accessed directly via the hyperlink, and
- (b) an individual who is a likely audience in relation to the hyperlink for the purposes of section 162 is to be assumed to be a likely audience in relation to the linked content. 15
- (8) In the application of sections 162 to 164 to the sending of an item on which data is stored electronically, references to the message are to be read as including content accessed by means of the item to which the recipient is specifically directed by the sender (and in this subsection “sending” includes “giving”, and “sender” is to be read accordingly). 20
- (9) In the online context, the date on which a person commits an offence in relation to a message is the date on which the message is first sent by the person.
- (10) “Recognised news publisher” has the meaning given by section 50.
- (11) “Multiplex licence” means a licence under section 8 of the Wireless Telegraphy Act 2006 which authorises the provision of a multiplex service within the meaning of section 42(6) of that Act. 25
- (12) “On-demand programme service” has the same meaning as in the Communications Act (see section 368A of that Act), and a person is the “provider” of an on-demand programme service if the person has given notification of the person’s intention to provide that service in accordance with section 368BA of that Act. 30

Offences of sending or showing flashing images

166 Offences of sending or showing flashing images electronically

- (1) A person (A) commits an offence if – 35
- (a) A sends a communication by electronic means which consists of or includes flashing images (see subsection (13)),
- (b) either condition 1 or condition 2 is met, and
- (c) A has no reasonable excuse for sending the communication.

Interpretation

202 “Provider” of internet service

- (1) This section applies to determine who is the “provider” of an internet service for the purposes of this Act. 35
- User-to-user services (other than combined services)*
- (2) The provider of a user-to-user service is to be treated as being the entity that has control over who can use the user-to-user part of the service (and that entity alone).
- (3) If no entity has control over who can use the user-to-user part of a user-to-user service, but an individual or individuals have control over who can use that 40

part, the provider of the service is to be treated as being that individual or those individuals.

Search services

- (4) The provider of a search service is to be treated as being the entity that has control over the operations of the search engine (and that entity alone). 5
- (5) If no entity has control over the operations of the search engine, but an individual or individuals have control over those operations, the provider of the search service is to be treated as being that individual or those individuals.

Combined services

- (6) The provider of a combined service is to be treated as being the entity that has control over both— 10
- (a) who can use the user-to-user part of the service, and
 - (b) the operations of the search engine,
- (and that entity alone).
- (7) If no entity has control over the matters mentioned in paragraphs (a) and (b) of subsection (6), but an individual or individuals have control over both those matters, the provider of the combined service is to be treated as being that individual or those individuals. 15

Internet services other than user-to-user services or search services

- (8) The provider of an internet service, other than a user-to-user service or a search service, is to be treated as being the entity that has control over which content is published or displayed on the service. 20
- (9) If no entity has control over which content is published or displayed on such an internet service, but an individual or individuals have control over which content is published or displayed, the provider of the service is to be treated as being that individual or those individuals. 25

Machine-generated services

- (10) The provider of an internet service that is generated by a machine is to be treated as being the entity that controls the machine (and that entity alone).
- (11) If no entity controls the machine, but an individual or individuals control it, the provider of the internet service is to be treated as being that individual or those individuals. 30

Interpretation

- (12) A person who provides an access facility in relation to a user-to-user service, within the meaning of section 135, is not to be regarded as a person who has control over who can use the user-to-user part of the service for the purposes of this section. 35
- (13) In this section “operations of the search engine” means operations which— 40
- (a) enable users of a search service or a combined service to make search requests, and
 - (b) generate responses to those requests.

- (14) In this section “published or displayed” is to be construed in accordance with section 70(5).

203 “User”, “United Kingdom user” and “interested person”

- (1) For the purposes of this Act a user is a “United Kingdom user” of a service if—
- (a) where the user is an individual, the individual is in the United Kingdom; 5
 - (b) where the user is an entity, the entity is incorporated or formed under the law of any part of the United Kingdom.
- (2) For the purposes of references in this Act to a user of a service it does not matter whether a person is registered to use a service. 10
- (3) References in this Act to a user of a service do not include references to any of the following when acting in the course of the provider’s business—
- (a) where the provider of the service is an individual or individuals, that individual or those individuals;

 - (b) does not include a service which enables a person to search just one website or database.
- (2) For the purposes of this Act, a search engine is not to be taken to be “included” in an internet service or a user-to-user service if the search engine is controlled by a person who does not control other parts of the service. 10

 - (b) does not analyse any other data or content,
- is not to be regarded as user profiling technology.
- (6) “Behaviour identification technology” means technology which analyses (any or all of) – 40

 - (c) metadata relating to relevant content or user data,

- to assess a user’s online behaviour or patterns of online behaviour (for example, to assess whether a user may be involved in, or be the victim of, illegal activity).
- (7) But behaviour identification technology is not to be regarded as proactive technology if it is used in response to concerns identified by another person or an automated tool about a particular user. 5
- (8) “Relevant content” means –
- (a) in relation to a user-to-user service, content that is user-generated content in relation to the service;

- (10) References in this Act to proactive technology include content identification technology, user profiling technology or behaviour identification technology which utilises artificial intelligence or machine learning. 20
- (11) Accredited technology that may be required to be used in relation to the detection of terrorism content or CSEA content (or both) by a notice under section 111(1) is an example of content identification technology.
- (12) The reference in subsection (8)(b) to a search service includes a reference to the search engine of a combined service. 25

 - (b) section 125 (requirement to use proactive technology), or
 - (c) paragraph 12(4) of Schedule 4 (recommendation of proactive technology in codes of practice). 40
- (2) The factors are –

- (c) the ease with which the content may be forwarded to or shared with—
 - (i) users of the service other than those who originally encounter it, or
 - (ii) users of another internet service.
- (3) The following factors do not count as restrictions on access— 5

- (5) References to a risk of harm, or to potential harm, are to be read in the same way as references to harm.
- (6) In contexts where harm (or a risk of harm or potential harm) relates to children, subsections (3) and (4) are to be read as if they referred to children instead of individuals.

PRE-EXISTING PART 4B SERVICES

Interpretation of this Part

- 6 (1) In this Part, “pre-existing Part 4B service” means –
- (a) an internet service which –
 - (i) is a video-sharing platform service by reason of the conditions in section 368S(1) and (2) of the Communications Act being met in relation to the service as a whole, and

40

- (ii) was being provided immediately before Schedule 17 (video-sharing platform services: transitional provision etc) comes into force; or
- (b) a dissociable section of an internet service, where that dissociable section –
- (i) is a video-sharing platform service by reason of the conditions in section 368S(1)(a) and (2) of the Communications Act being met in relation to that dissociable section, and
- (ii) was being provided immediately before Schedule 17 comes into force.
- (2) In sub-paragraph (1), any reference to a service provided before Schedule 17 comes into force includes a reference to a service provided in breach of the requirement in section 368V of the Communications Act.
- 7 (1) In this Part, “assessment start day”, in relation to a pre-existing Part 4B service, means –
- (a) the date specified in regulations made by the Secretary of State for the purposes of this Part of this Schedule, or
- (b) if the pre-existing Part 4B service ceases to be a video-sharing platform service before the date specified in the regulations, the date when that service ceases to be a video-sharing platform service.
- (2) But in respect of any period during which this Schedule is fully in force and no regulations under sub-paragraph (1) have yet been made, the definition in sub-paragraph (1) has effect as if –
- (a) for paragraph (a) there were substituted “the date when section 190 comes into force”, and
- (b) in paragraph (b), for “specified in the regulations” there were substituted “when section 190 comes into force”.
- 8 In this Part “video-sharing platform service” has the same meaning as in Part 4B of the Communications Act (see section 368S of that Act).
- 9 Any reference in this Part to the effect of Part 1 or 2 of this Schedule is a reference to the effect that Part 1 or 2 would have if this Part were disregarded.

PRE-EXISTING PART 4B SERVICES WHICH ARE REGULATED USER-TO-USER SERVICES

- Application of paragraphs 11 and 12*
- 10 (1) This paragraph and paragraphs 11 and 12 apply in relation to a pre-existing Part 4B service which –
- (a) is within the definition in paragraph (a) of paragraph 6(1), and
- (b) is also a regulated user-to-user service.
- (2) If the effect of Part 1 of this Schedule is that the period within which the first illegal content risk assessment or CAA of the service must be completed begins on a day before the assessment start day, the time for carrying out that assessment is extended as set out in paragraph 11 or 12.
- (3) But paragraphs 11 and 12 do not apply if the service ceases to be a regulated user-to-user service on the assessment start day.

Illegal content risk assessments and children’s access assessments

- 11 (1) Sub-paragraphs (2) and (3) apply in relation to the service if, on the assessment start day, illegal content risk assessment guidance is available but the first CAA guidance has not yet been published.
- (2) The first illegal content risk assessment of the service must be completed within the period of three months beginning with the assessment start day. 5
- (3) The first CAA of the service must be completed within the period of three months beginning with the day on which the first CAA guidance is published.
- 12 If, on the assessment start day, illegal content risk assessment guidance and CAA guidance are both available, both of the following must be completed within the period of three months beginning with that day – 10
- (a) the first illegal content risk assessment of the service, and
- (b) the first CAA of the service.

REGULATED USER-TO-USER SERVICES WHICH INCLUDE A PRE-EXISTING PART 4B SERVICE 15

Application of paragraphs 14 to 17

- 13 (1) Paragraphs 14 to 17 make provision about the timing of assessments in the case of a regulated user-to-user service which includes a pre-existing Part 4B service within the definition in paragraph (b) of paragraph 6(1).
- (2) In sub-paragraph (3) and paragraphs 14 to 17 – 20
- (a) “the regulated service” means the regulated user-to-user service, and
- (b) “the Part 4B part” means the pre-existing Part 4B service which is included in the regulated service.
- (3) If the effect of Part 1 of this Schedule is that the period within which the first illegal content risk assessment or CAA of the regulated service must be completed begins on a day before the assessment start day – 25
- (a) the time for carrying out the assessment in question in relation to the Part 4B part is extended as set out in paragraph 14 or 15 (whichever applies),
- (b) Part 1 applies as set out in paragraph 16, and 30
- (c) paragraph 5 applies as set out in paragraph 17.
- (4) But paragraphs 14 to 17 do not apply if the service ceases to be a regulated user-to-user service on the assessment start day.

Illegal content risk assessments and children’s access assessments of Part 4B part

- 14 (1) Sub-paragraphs (2) and (3) apply in relation to the Part 4B part if, on the assessment start day, illegal content risk assessment guidance is available but the first CAA guidance has not yet been published. 35
- (2) The first illegal content risk assessment of the Part 4B part must be completed within the period of three months beginning with the assessment start day. 40

(3) The first CAA of the Part 4B part must be completed within the period of three months beginning with the day on which the first CAA guidance is published.

15 If, on the assessment start day, illegal content risk assessment guidance and CAA guidance are both available, both of the following must be completed within the period of three months beginning with that day – 5

- (a) an illegal content risk assessment of the Part 4B part, and
- (b) a CAA of the Part 4B part.

Application of Part 1

16 (1) This paragraph applies in relation to an illegal content risk assessment or a CAA of the regulated service if an assessment of that kind is due to be carried out in relation to the Part 4B part of the service in accordance with paragraph 14 or 15. 10

References in the rest of this paragraph to an illegal content risk assessment or a CAA are to an assessment of that kind to which this paragraph applies. 15

(2) For the purposes of this paragraph –

- (a) the regulated service is “type 1” if it would still be a regulated user-to-user service even if the Part 4B part were to be assumed not to be part of the service;
- (b) the regulated service is “type 2” if it would be a regulated search service if the Part 4B part were to be assumed not to be part of the service; 20
- (c) the regulated service is “type 3” if it does not fall within paragraph (a) or (b).

(3) If the regulated service is type 1, an illegal content risk assessment or a CAA is to be treated as being due at the time provided for by Part 1 only in relation to the rest of the service. 25

(4) In sub-paragraph (3) “the rest of the service” means any user-to-user part of the regulated service other than the Part 4B part.

(5) If the regulated service is type 2 – 30

- (a) an illegal content risk assessment is not required to be carried out at the time provided for by Part 1, but that is not to be taken to prevent an illegal content risk assessment as defined by section 22 from being due in relation to the search engine of the service at the time provided for by Part 1; 35
- (b) a CAA is to be treated as being due at the time provided for by Part 1 only in relation to the search engine of the service.

(6) If the regulated service is type 3, no illegal content risk assessment or CAA is required to be carried out at the time provided for by Part 1.

Application of paragraph 5 40

17 (1) This paragraph sets out how paragraph 5 (children’s risk assessments) is to apply if a CAA is required to be carried out in accordance with –

- (a) paragraph 14 or 15 (CAA of Part 4B part of a service),
- (b) paragraph 16(3) (CAA of the rest of a service), or
- (c) paragraph 16(5)(b) (CAA of search engine of a service). 45

- (2) The definition of “the relevant day” is to operate by reference to the CAA that was (or was required to be) carried out, and accordingly, references to the day on which the service is to be treated as likely to be accessed by children are to be read as references to the day on which the Part 4B part of the service, the rest of the service or the search engine of the service (as the case may be) is to be treated as likely to be accessed by children. 5
- (3) References to a children’s risk assessment of the service are to a children’s risk assessment of the Part 4B part of the service, the rest of the service or the search engine of the service (as the case may be).

PART 4 10

INTERPRETATION, AND EXTENSION OF THREE-MONTH PERIODS

- 24 For the purposes of this Schedule, guidance of a particular kind is available at a particular time if at that time there is in existence published guidance of that kind.

Extension of three-month periods

- 25 (1) This paragraph applies in relation to a time-limit of three months imposed by any provision of this Schedule for completing a CAA or a particular kind of risk assessment. 5
- (2) Extra time may be allowed –
- (a) by agreement between OFCOM and the provider of a particular Part 3 service, or 10
- (b) in accordance with a notice published by OFCOM specifying a longer period for CAAs or risk assessments of that kind (as the case may be) which relate to Part 3 services of a particular kind or size.

SCHEDULE 4

Section 37

CODES OF PRACTICE UNDER SECTION 36: PRINCIPLES, OBJECTIVES, CONTENT 15

General principles

- 1 In preparing a draft of a code of practice or amendments of a code of practice, OFCOM must –
- (a) consider the appropriateness of provisions of the code of practice to different kinds and sizes of Part 3 services and to providers of differing sizes and capacities, and 20
- (b) have regard to the principles mentioned in paragraph 2.
- 2 The principles are as follows –
- (a) providers of Part 3 services must be able to understand which provisions of the code of practice apply in relation to a particular service they provide; 25
- (b) the measures described in the code of practice must be sufficiently clear, and at a sufficiently detailed level, that providers understand what those measures entail in practice;
- (c) the measures described in the code of practice must be proportionate and technically feasible: measures that are proportionate or technically feasible for providers of a certain size or capacity, or for services of a certain kind or size, may not be proportionate or technically feasible for providers of a different size or capacity or for services of a different kind or size; 30
- (d) the measures described in the code of practice that apply in relation to Part 3 services of various kinds and sizes must be proportionate to OFCOM’s assessment (under section 89) of the risk of harm presented by services of that kind or size. 35

Online safety objectives 40

- 3 OFCOM must ensure that measures described in codes of practice are compatible with pursuit of the online safety objectives.

-
- 4 The online safety objectives for regulated user-to-user services are as follows—
- (a) a service should be designed and operated in such a way that—
 - (i) the systems and processes for regulatory compliance and risk management are effective and proportionate to the kind and size of service, 5
 - (ii) the systems and processes are appropriate to deal with the number of users of the service and its user base,
 - (iii) United Kingdom users (including children) are made aware of, and can understand, the terms of service, 10
 - (iv) there are adequate systems and processes to support United Kingdom users,
 - (v) (in the case of a Category 1 service) users are offered options to increase their control over the content they encounter and the users they interact with, 15
 - (vi) the service provides a higher standard of protection for children than for adults,
 - (vii) the different needs of children at different ages are taken into account,
 - (viii) there are adequate controls over access to the service by adults, and 20
 - (ix) there are adequate controls over access to, and use of, the service by children, taking into account use of the service by, and impact on, children in different age groups;
 - (b) a service should be designed and operated so as to protect individuals in the United Kingdom who are users of the service from harm, including with regard to—
 - (i) algorithms used by the service,
 - (ii) functionalities of the service, and
 - (iii) other features relating to the operation of the service. 30
- 5 The online safety objectives for regulated search services are as follows—
- (a) a service should be designed and operated in such a way that—
 - (i) the systems and processes for regulatory compliance and risk management are effective and proportionate to the kind and size of service, 35
 - (ii) the systems and processes are appropriate to deal with the number of users of the service and its user base,
 - (iii) United Kingdom users (including children) are made aware of, and can understand, the publicly available statement referred to in sections 23 and 25, 40
 - (iv) there are adequate systems and processes to support United Kingdom users,
 - (v) the service provides a higher standard of protection for children than for adults, and
 - (vi) the different needs of children at different ages are taken into account; 45
 - (b) a service should be assessed to understand its use by, and impact on, children in different age groups;
 - (c) a search engine should be designed and operated so as to protect individuals in the United Kingdom who are users of the service from harm, including with regard to— 50

	(i) algorithms used by the search engine,	
	(ii) functionalities relating to searches (such as a predictive search functionality), and	
	(iii) the indexing, organisation and presentation of search results.	
6	In the case of a combined service –	5
	(a) the online safety objectives set out in paragraph 4 do not apply in relation to the search engine;	
	(b) the online safety objectives set out in paragraph 5 apply in relation to the search engine, and accordingly references in that paragraph to a search service are to be read as references to the search engine;	10
	(c) the reference in paragraph 5(a)(iii) to a publicly available statement includes a reference to provisions of the terms of service which relate to the search engine.	
7	The Secretary of State may by regulations amend paragraph 4 or 5 so as to vary the online safety objectives for regulated user-to-user services or regulated search services, and such regulations may make consequential amendments of paragraph 6.	15
8	If regulations are made amending the online safety objectives, OFCOM must, as soon as reasonably practicable after the regulations come into force, consider whether a review of the codes of practice published under section 41 is required and, if OFCOM consider that it is required, carry out a review to assess whether any amendments are needed to reflect the revised objectives.	20
<i>Content of codes of practice</i>		
9	(1) Codes of practice that describe measures recommended for the purpose of compliance with a duty set out in section 9(2) or (3) (illegal content) must include measures in each of the areas of a service listed in section 9(4).	25
	(2) Codes of practice that describe measures recommended for the purpose of compliance with a duty set out in section 11(2) or (3) (children’s online safety) must include measures in each of the areas of a service listed in section 11(5).	30
	(3) Codes of practice that describe measures recommended for the purpose of compliance with a duty set out in section 23(2) or (3) (illegal content) must include measures in each of the areas of a service listed in section 23(4).	
	(4) Codes of practice that describe measures recommended for the purpose of compliance with a duty set out in section 25(2) or (3) (children’s online safety) must include measures in each of the areas of a service listed in section 25(4).	35
	(5) Sub-paragraphs (1) to (4) apply to the extent that inclusion of the measures in question is consistent with paragraph 1(a) and the principles mentioned in paragraph 2(c) and (d).	40
10	(1) Measures described in a code of practice which are recommended for the purpose of compliance with any of the relevant duties must be designed in the light of the principles mentioned in sub-paragraph (2) and (where appropriate) incorporate safeguards for the protection of the matters mentioned in those principles.	45

- (2) The principles are –
- (a) the importance of protecting the right of users and (in the case of search services or combined services) interested persons to freedom of expression within the law, and
 - (b) the importance of protecting the privacy of users. 5
- (3) In sub-paragraph (2)(b) the reference to protecting the privacy of users is to protecting users from a breach of any statutory provision or rule of law concerning privacy that is relevant to the use or operation of a user-to-user service or a search service (including, but not limited to, any such provision or rule concerning the processing of personal data). 10
- (4) In this paragraph “the relevant duties” means the duties set out in –
- (a) sections 9 and 23 (illegal content),
 - (b) sections 11 and 25 (children’s online safety),
 - (c) section 12 (user empowerment),
 - (d) section 13 (content of democratic importance), 15
 - (e) section 15 (journalistic content),
 - (f) sections 16 and 26 (content reporting),
 - (g) sections 17 and 27 (complaints procedures), and
 - (h) sections 33 and 34 (fraudulent advertising).
- 11 Measures described in a code of practice may relate only to the design or operation of a Part 3 service – 20
- (a) in the United Kingdom, or
 - (b) as it affects United Kingdom users of the service.

Content of codes of practice: proactive technology

- 12 (1) If OFCOM consider it appropriate to do so, and in accordance with the principles to which they must have regard (see paragraphs 1 and 2 and, in particular, 10(2)), they may include in a code of practice a measure describing the use of a kind of technology. 25
- (2) But there are constraints, set out in the rest of this paragraph, on OFCOM’s power to include in a code of practice a measure describing the use of proactive technology as a way (or one of the ways) of complying with a duty set out in this Act (a “proactive technology measure”). 30
- (3) A proactive technology measure may be recommended only for the purpose of compliance with any of the duties set out in –
- (a) section 9(2) or (3) (illegal content), 35
 - (b) section 11(2) or (3) (children’s online safety),
 - (c) section 23(2) or (3) (illegal content),
 - (d) section 25(2) or (3) (children’s online safety), or
 - (e) section 33(1) or 34(1) (fraudulent advertising).
- (4) A proactive technology measure may relate to the use of a kind of technology on or in relation to any Part 3 service or any part of such a service, but if the technology operates (or may operate) by analysing user-generated content or metadata relating to such content, the measure may not recommend the use of the technology to analyse user-generated content communicated privately, or metadata relating to user-generated content communicated privately. 40 45

- (5) A proactive technology measure may be included in a code of practice in relation to Part 3 services of a particular kind or size only if OFCOM are satisfied that use of the technology in question by such services would be proportionate to the risk of harm that the measure is designed to safeguard against (taking into account, in particular, the risk profile for the time being published by OFCOM under section 89 relating to such services). 5
- (6) In deciding whether to include a proactive technology measure in a code of practice, OFCOM must have regard to the degree of accuracy, effectiveness and lack of bias achieved by the technology in question, and may –
- (a) refer in the code of practice to existing industry or technical standards for the technology (where they exist); 10
- (b) set out principles in the code of practice designed to ensure that the technology or its use is (so far as possible) accurate, effective and free of bias.
- General* 15
- 13 A code of practice may make different provision for different purposes and may, in particular –
- (a) make different provision with regard to –
- (i) user-to-user services, and
- (ii) search services; 20
- (b) make different provision with regard to user-to-user services of different kinds or search services of different kinds; and
- (c) otherwise differentiate between Part 3 services, and between providers of such services, in such manner as OFCOM consider appropriate. 25
- 14 A code of practice may apply in relation to a person who provides a Part 3 service from outside the United Kingdom.
- Interpretation*
- 15 In this Schedule –
- “code of practice” means a code of practice under section 36; 30
- “search results” has the meaning given by section 51(3);
- “user-generated content” has the meaning given by section 49 (see subsections (3) and (4) of that section).

- (9) Sub-paragraphs (4) and (5) of paragraph 2 apply to the charging of additional fees under this paragraph as they apply to the charging of additional fees under that paragraph. 30
- (10) The process set out in this paragraph comes to an end in accordance with paragraph 4.
- End of the recovery process* 35
- 4 (1) The process set out in paragraph 3 comes to an end if a statement by OFCOM under that paragraph records that –
(a) the recoverable amount is nil, or
(b) all of the recoverable amount is likely to be paid or recovered.
- (2) Or the Secretary of State may bring that process to an end by making a determination that OFCOM are not to embark on another round of charging providers of regulated services additional fees. 40
- (3) The earliest time when such a determination may be made is after the publication of OFCOM’s first statement under paragraph 3.
- (4) A determination under sub-paragraph (2) – 45

- (a) must be made as soon as reasonably practicable after the publication of a statement by OFCOM under paragraph 3;
 - (b) must be published in such manner as the Secretary of State considers appropriate.
- (5) A determination under sub-paragraph (2) does not affect OFCOM’s power – 5
- (a) to bring proceedings for the recovery of the whole or part of an additional fee for which a provider became liable at any time before the determination was made, or
 - (b) to act in accordance with the procedure set out in section 130 in relation to such a liability. 10

Providers for part of a year only

- 5 (1) For the purposes of this Schedule, the “provider” of a regulated service, in relation to a charging year, includes a person who is the provider of the service for part of the year. 15
- (2) Where a person is the provider of a regulated service for part of a charging year only, OFCOM may refund all or part of an additional fee paid to OFCOM under paragraph 2 or 3 by that provider in respect of that year.

Calculation of the recoverable amount

- 6 For the purposes of a statement by OFCOM under paragraph 3, the “recoverable amount” is given by the formula – 20
- $$C - (F - R) - D$$
- where –
- C is the total amount of OFCOM’s initial costs,
 - F is the aggregate amount of the additional fees received by OFCOM at the time of the statement in question, 25
 - R is the aggregate amount of the additional fees received by OFCOM that at the time of the statement in question have been, or are due to be, refunded (see paragraph 5(2)), and
 - D is the amount specified in a determination made by the Secretary of State under paragraph 3 (see paragraph 3(5)) at a time before the statement in question or, where more than one such determination has been made, the sum of the amounts specified in those determinations. 30
- If no such determination has been made before the statement in question, D = 0. 35

Regulations about recovery of initial costs

- 7 (1) The Secretary of State must make regulations making such provision as the Secretary of State considers appropriate in connection with the recovery by OFCOM of their initial costs. 40
- (2) The regulations must include provision as set out in sub-paragraphs (3), (4) and (6).
- (3) The regulations must specify the total amount of OFCOM’s initial costs.
- (4) For the purposes of paragraph 2, the regulations must specify –

- (a) the charging years in respect of which additional fees are to be charged, and
 - (b) the proportion of the total amount of initial costs which OFCOM must seek to recover in each of the specified charging years.
- (5) The following rules apply to provision made in accordance with subparagraph (4)(a) – 5
- (a) the initial charging year may not be specified;
 - (b) only consecutive charging years may be specified;
 - (c) at least three charging years must be specified;
 - (d) no more than five charging years may be specified. 10
- (6) The regulations must specify the computation model that OFCOM must use to calculate fees payable by individual providers of regulated services under paragraphs 2 and 3 (and that computation model may be different for different charging years).
- (7) The regulations may make provision about what OFCOM may or must do if the operation of this Schedule results in them recovering more than the total amount of their initial costs. 15
- (8) The regulations may amend this Schedule or provide for its application with modifications in particular cases.
- (9) Before making regulations under this paragraph, the Secretary of State must consult – 20
- (a) OFCOM,
 - (b) providers of regulated user-to-user services,
 - (c) providers of regulated search services,
 - (d) providers of internet services within section 71(2), and 25
 - (e) such other persons as the Secretary of State considers appropriate.

SCHEDULE 13

Section 132

PENALTIES IMPOSED BY OFCOM UNDER CHAPTER 6 OF PART 7

<i>Meaning of “penalty” in this Schedule</i>	5
1 Except as otherwise indicated, references in this Schedule to a “penalty” are to any of the following—	
(a) a penalty imposed by a confirmation decision (see sections 121(5)(b) and 126), whether that is—	
(i) a penalty of a single amount, or	10
(ii) a penalty calculated by reference to a daily rate;	
(b) a penalty imposed by a penalty notice under section 128;	
(c) a penalty imposed by a penalty notice under section 129(5);	
(d) a penalty imposed by a penalty notice under section 130(6).	
<i>Amount of penalties: principles</i>	15
2 (1) In determining the amount of a penalty to be imposed on a person, OFCOM must, in particular, take into account—	
(a) any representations made, and evidence provided, by the person, and	
(b) the effects of the failure (or failures) in respect of which the penalty is imposed.	20
(2) In the case of a penalty imposed by a confirmation decision, OFCOM must also take into account any representations made, and evidence provided, by any other person to whom the earlier provisional notice of contravention relating to the same matter was given.	25
(3) OFCOM must also take into account—	
(a) in the case of a penalty imposed by a confirmation decision, any steps taken by the person towards—	
(i) complying with any duty or requirement specified in the provisional notice of contravention given to the person, or	30
(ii) remedying the failure to comply with any such duty or requirement;	
(b) in the case of a penalty imposed by a penalty notice under section 128, any steps taken by the person towards—	
(i) complying with any duty or requirement specified in the confirmation decision given to the person, or	35
(ii) remedying the failure to comply with any such duty or requirement;	
(c) in the case of a penalty imposed by a penalty notice under section 129(5), any steps taken by the person towards complying with the notice under section 111(1);	40

- (d) in the case of a penalty imposed by a penalty notice under section 130(6), any steps taken by the person towards paying any amount of the fee due to OFCOM.
- (4) A penalty must be of an amount that OFCOM consider to be –
 - (a) appropriate, and 5
 - (b) proportionate to the failure (or failures) in respect of which it is imposed.
- (5) See also section 392 of the Communications Act (which requires OFCOM to produce guidelines about their determination of the amount of penalties that they impose). 10

Limitation to type and amount of penalties previously proposed

- 3 (1) A confirmation decision or penalty notice may not impose a penalty of a different kind, of a greater amount or (in the case of a penalty calculated by reference to a daily rate) payable over a longer period than that proposed in the earlier notice in relation to the same matter. 15
- (2) Sub-paragraph (1) applies in a case where a provisional notice of contravention and confirmation decision in relation to the same matter are both given jointly (in accordance with Schedule 15) to the same entities, but does not otherwise apply in relation to a penalty for which two or more entities are jointly and severally liable. 20
- (3) In this paragraph “penalty notice” means a penalty notice under section 128, 129(5) or 130(6).

Maximum amount of penalties

- 4 (1) Where a penalty is imposed on a person in respect of a regulated service provided by that person, the maximum amount of the penalty for which the person is liable is whichever is the greater of –
 - (a) £18 million, and
 - (b) 10% of the person’s qualifying worldwide revenue for the person’s most recent complete accounting period (subject to sub-paragraph (5)). 30
- (2) But if the person does not have an accounting period, the maximum amount of the penalty for which the person is liable is £18 million.
- (3) The maximum amount of a penalty for which a person not within sub-paragraph (1) is liable is £18 million.
- (4) If the person’s first accounting period has not yet ended, sub-paragraph (1)(b) is to be read as referring to 10% of the amount that OFCOM estimate to be the person’s likely qualifying worldwide revenue for that period. 35
- (5) If the duration of the accounting period by reference to which an amount of qualifying worldwide revenue is calculated is less than a year, the amount mentioned in sub-paragraph (1)(b) is to be proportionately increased. 40
If the duration of that accounting period is more than a year, that amount is to be proportionately reduced.

- (6) The amount of a person’s qualifying worldwide revenue for an accounting period is, in the event of a disagreement between the person and OFCOM, the amount determined by OFCOM.
- (7) In the case of a confirmation decision that imposes a penalty of a single amount and a penalty calculated by reference to a daily rate, references in sub-paragraphs (1) to (3) to the maximum amount for which a person is liable are to the maximum amount of both those penalties taken together. 5
- (8) In this paragraph “accounting period”, in relation to a person, means a period in respect of which accounts are prepared in relation to that person or, where that person is an individual, in respect of that individual’s business of providing a regulated service. 10
- (9) In this paragraph and in paragraph 5, “qualifying worldwide revenue” has the meaning given to it in a statement produced and published by OFCOM under section 76 (see subsection (2) of that section).
- Maximum amount of penalties: group of entities* 15
- 5 (1) This paragraph contains modifications of paragraph 4 in a case where, in accordance with Schedule 15, two or more entities are jointly and severally liable for a penalty.
- (2) Sub-paragraphs (3) to (5) of this paragraph apply instead of paragraph 4(1) to (4). 20
- (3) The maximum amount of the penalty for which the entities are liable is whichever is the greater of –
- (a) £18 million, and
- (b) 10% of the qualifying worldwide revenue of the group of entities that consists of – 25
- (i) the entity that is the provider of the regulated service to which the decision or notice in question relates (“entity E”), and
- (ii) every other entity which (at the time the decision or notice is given) is a group undertaking in relation to entity E. 30
- (4) In sub-paragraph (3)(b), the reference to the qualifying worldwide revenue of a group of entities is to –
- (a) the amount of the group’s qualifying worldwide revenue for the most recent complete accounting period of the entities liable for the penalty, or 35
- (b) if the first accounting period of the entities liable for the penalty has not yet ended, the amount that OFCOM estimate to be the group’s likely qualifying worldwide revenue for that period.
- (5) In a case where the accounting periods of the entities liable for the penalty are different – 40
- (a) the reference in sub-paragraph (4)(a) to the accounting period of the entities is to be read as a reference to the accounting period of any of the entities (at OFCOM’s discretion), and
- (b) sub-paragraph (4)(b) is to apply as if – 45
- (i) for “the first accounting period of the entities” there were substituted “the first accounting period of all of the entities”, and

- (ii) for “that period” there were substituted “the accounting period of any of the entities (at OFCOM’s discretion)”.
- (6) Sub-paragraphs (5), (6) and (7) of paragraph 4 are to be read with the necessary modifications in their application for the purposes of this paragraph. 5
- (7) In this paragraph –
 - “accounting period”, in relation to an entity, means a period in respect of which accounts are prepared in relation to that entity;
 - “group undertaking” has the meaning given by section 1161(5) of the Companies Act 2006. 10
- (8) For the purposes of this paragraph, sections 1161(5) and 1162 of, and Schedule 7 to, the Companies Act 2006 –
 - (a) are to apply in relation to an entity which is not an undertaking (as defined in section 1161(1) of that Act) as they apply in relation to an undertaking, and 15
 - (b) are to be read with any necessary modifications if applied to an entity formed under the law of a country outside the United Kingdom.

Recovery of penalties

- 6 (1) In England and Wales, a penalty is recoverable – 20
 - (a) if the county court so orders, as if it were payable under an order of that court;
 - (b) if the High Court so orders, as if it were payable under an order of that court.
- (2) In Scotland, a penalty may be enforced in the same manner as an extract registered decree arbitral bearing a warrant for execution issued by the sheriff court of any sheriffdom in Scotland. 25
- (3) In Northern Ireland, a penalty is recoverable –
 - (a) if a county court so orders, as if it were payable under an order of that court; 30

- 3 (1) This paragraph applies in relation to a pre-existing Part 4B service which—
- (a) is within the definition in paragraph (a) of paragraph 1(1), and 5
- (b) is also a regulated user-to-user service.
- (2) Both this Act and Part 4B of the Communications Act apply in relation to the pre-existing Part 4B service during the transitional period.

- (2) In the case of a regulated user-to-user service which includes a pre-existing Part 4B service within the definition in paragraph (b) of paragraph 1(1), nothing in sub-paragraph (1) is to be taken to prevent the duties set out in section 72 from applying during the transitional period in relation to any regulated provider pornographic content published or displayed on any other part of the service. 35
- (3) In this paragraph “regulated provider pornographic content” and “published or displayed” have the same meaning as in Part 5 of this Act (see section 70). 40

Pre-existing Part 4B services which form part of regulated user-to-user services

- 5 (1) During the transitional period, Part 4B of the Communications Act applies in relation to a pre-existing Part 4B service within the definition in paragraph (b) of paragraph 1(1).

- 6 (1) This paragraph applies in relation to a regulated user-to-user service described in paragraph 5(2) if the service would still be a regulated user-to-user service even if the Part 4B part were to be assumed not to be part of the service.
- (2) During the transitional period – 20
- (a) any duty or requirement mentioned in paragraph 3(4) which applies in relation to the regulated service is to be treated as applying only in relation to the rest of the service;

Regulated user-to-user services with a Part 4B part and a search engine

- 7 (1) This paragraph applies in relation to a regulated user-to-user service described in paragraph 5(2) if the service would be a regulated search service if the Part 4B part were to be assumed not to be part of the service. 30
- (2) During the transitional period, no duty or requirement mentioned in paragraph 3(4) applies in relation to the Part 4B part of the service (but that is not to be taken to prevent any other duty or requirement under this Act from applying in relation to the search engine of the service during the transitional period). 35
- (3) During the transitional period, the powers mentioned in paragraph 3(5) are to be treated as applying only in relation to the search engine of the service.

- 9 See Part 3 of Schedule 3 for provision about –
- (a) the timing of risk assessments and children’s access assessments of pre-existing Part 4B services, and
- (b) modifications of Parts 1 and 2 of that Schedule in connection with risk assessments and children’s access assessments of services which include a pre-existing Part 4B service within the definition in paragraph (b) of paragraph 1(1). 15

Operation of section 368U of the Communications Act

- 10 During the transitional period, section 368U of the Communications Act has effect as a requirement to establish and maintain an up to date list of persons providing a video-sharing platform service to which Part 4B applies. 20

- (2) Part 4B of the Communications Act does not start applying again in relation to the service on the date mentioned in sub-paragraph (1)(b).
- 13 Paragraphs 11 and 12 apply regardless of whether, or when, a provider of a service has notified the appropriate regulatory authority in accordance with section 368V of the Communications Act. 35

PART 3

APPLICATION OF PART 6 OF THIS ACT: FEES

Introduction

- 14 This Part makes provision about the application of the following provisions of this Act in relation to a person who is the provider of a relevant regulated service— 5
- (a) section 74 (duty to notify OFCOM in relation to the charging of fees);
 - (b) section 75 (payment of fees);
 - (c) Schedule 10 (additional fees).
- 15 In this Part “relevant regulated service” means— 10
- (a) a regulated user-to-user service which is a pre-existing Part 4B service within the definition in paragraph (a) of paragraph 1(1), or
 - (b) a regulated user-to-user service which includes a pre-existing Part 4B service within the definition in paragraph (b) of paragraph 1(1).

Application of section 74 15

- 16 (1) Sub-paragraph (2) applies in relation to a person who is the provider of a relevant regulated service, whether or not the person is the provider of any other regulated service.
- (2) Section 74, which makes provision about the notification of OFCOM in relation to a charging year, applies to the provider in relation to every charging year, regardless of whether any part, or all, of a charging year falls within the transitional period. 20
- 17 (1) This paragraph applies in relation to a person who is the provider of a relevant regulated service, unless the person is an exempt provider (see paragraph 24). 25
- (2) Sub-paragraph (3) applies in relation to the provider if—
- (a) the provider is required by section 74 to give details to OFCOM of the provider’s qualifying worldwide revenue for the qualifying period that relates to a charging year,
 - (b) the provider gives such details in relation to that charging year at a time within the transitional period, and 30
 - (c) no regulations under section 215(2) have been made before that time specifying that section 190 is to come into force on or before the first day of that charging year.
- (3) The provider’s notification under section 74 about qualifying worldwide revenue must include a breakdown indicating the amounts which are wholly referable to a relevant Part 4B service (if any). 35

Application of section 75: transitional charging year

- 18 If a person who is the provider of a relevant regulated service is an exempt provider, section 75 and Schedule 10 do not apply in relation to the provider in respect of a transitional charging year (see paragraph 23). 40

- 19 (1) If a person who is the provider of a relevant regulated service is not an exempt provider, section 75 and Schedule 10 apply in relation to the provider in respect of a transitional charging year.
- (2) But sub-paragraphs (3) and (4) apply in relation to the provider in respect of a transitional charging year if the provider’s notification under section 74 in relation to that charging year has included details of amounts wholly referable to a relevant Part 4B service (as mentioned in paragraph 17(3)). 5
- (3) For the purposes of the computation of the provider’s fee under section 75 in respect of the transitional charging year, references in that section to the provider’s qualifying worldwide revenue are to be taken to be references to the provider’s non-Part 4B qualifying worldwide revenue. 10
- (4) OFCOM may not require the provider to pay a fee under section 75 in respect of the transitional charging year if the provider’s non-Part 4B qualifying worldwide revenue for the qualifying period that relates to that charging year is less than the threshold figure that has effect for that charging year. 15
- (5) The amount of a provider’s “non-Part 4B qualifying worldwide revenue” is the amount that would be the provider’s qualifying worldwide revenue (see section 76) if all amounts wholly referable to a relevant Part 4B service were left out of account. 20

Application of section 75: non-transitional charging year

- 20 (1) Sub-paragraph (2) applies in relation to a person who is the provider of a relevant regulated service, whether or not the person is the provider of any other regulated service.
- (2) Section 75 and Schedule 10 apply without modification in relation to the provider in respect of a non-transitional charging year (even if the notification date in relation to such a charging year fell within the transitional period). 25

Amounts wholly referable to relevant Part 4B service

- 21 (1) For the purposes of this Part, OFCOM may produce a statement giving information about the circumstances in which amounts do, or do not, count as being wholly referable to a relevant Part 4B service. 30
- (2) If OFCOM produce such a statement, they must publish it (and any revised or replacement statement).

Interpretation of this Part 35

- 22 In this Part—
- “non-transitional charging year” means a charging year which is not a transitional charging year;
- “notification date”, in relation to a charging year, means the latest date by which a notification under section 74 relating to that charging year is required to be given (see section 74(5)); 40
- “relevant Part 4B service” means—
- (a) a regulated user-to-user service described in paragraph 15(a), or

- (b) a pre-existing Part 4B service included in a regulated user-to-user service described in paragraph 15(b).
- 23 For the purposes of this Part a charging year is a “transitional charging year” if –
- (a) the notification date in relation to that charging year fell within the transitional period, and 5
 - (b) no regulations under section 215(2) were made before the notification date specifying that section 190 was to come into force on or before the first day of that charging year.
- 24 (1) In this Part “exempt provider” means a person within sub-paragraph (2) or (3). 10
- (2) A person is within this sub-paragraph if the person is the provider of only one regulated service, and that service is –
- (a) a regulated user-to-user service which is a pre-existing Part 4B service within the definition in paragraph (a) of paragraph 1(1), or 15
 - (b) a regulated user-to-user service which –
 - (i) includes a pre-existing Part 4B service within the definition in paragraph (b) of paragraph 1(1), and
 - (ii) does not fall within paragraph 6 or 7.
- (3) A person is within this sub-paragraph if the person is the provider of more than one regulated service, if each regulated service is of a kind described in sub-paragraph (2). 20
- 25 In this Part the following terms have the same meaning as in Part 6 of this Act –
- “charging year”; 25
 - “qualifying period”;
 - “threshold figure”.

- 27 For the purposes of this Part an investigation relating to a person begins when OFCOM notify the person to that effect.

OFCOM as appropriate regulatory authority

Duties of service providers to co-operate with investigations

- 29 The repeal of section 368Y(3)(c) (duty to co-operate) does not affect the application of that provision after the repeal time in relation to—
- (a) an investigation as mentioned in section 368Z10(3)(f) begun before that time, or 5
 - (b) any demand for information for the purpose mentioned in section 368Z10(3)(i) resulting from such an investigation.

Demands for information, and enforcement of such demands

- 30 (1) The repeal of sections 368Y(3)(b) and 368Z10 (demands for information) does not affect the application of those provisions after the repeal time in a case in which— 10

 - (b) the investigation was begun before that time.
- (2) The repeal of sections 368Z2, 368Z4 and 368Z10 does not affect the application of those sections after the repeal time in connection with— 15
- (a) a failure to comply with a requirement under section 368Z10 imposed before that time, or
 - (b) a failure to comply with a requirement imposed after that time under section 368Z10 as it has effect in a case mentioned in sub-paragraph (1). 20
- (3) In this paragraph—
- (a) “the purposes of an investigation” include the purposes of any enforcement action or proceedings resulting from an investigation;
 - (b) references to sections 368Z2 and 368Z4 include references to those sections as modified by section 368Z10. 25

Enforcement notifications, financial penalties etc

- 31 (1) The repeal of sections 368W and 368Z4 (enforcement of section 368V) does not affect the application of those sections after the repeal time in a case in which OFCOM— 30
- (a) made a determination as mentioned in section 368W(1) before that time, or
 - (b) began, before that time, to investigate whether they may have grounds to make such a determination.
- (2) The repeal of sections 368Z2 and 368Z4 (enforcement of sections 368Y and 368Z1(6) and (7)) does not affect the application of those sections after the repeal time in a case in which OFCOM— 35
- (a) made a determination as mentioned in section 368Z2(1) before that time, or
 - (b) began, before that time, to investigate whether they may have grounds to make such a determination. 40
- (3) The repeal of sections 368Z3 and 368Z4 (enforcement of sections 368Z1(1) and (2)) does not affect the application of those sections after the repeal time in a case in which OFCOM—

- (a) made a determination as mentioned in section 368Z3(1) before that time, or
- (b) began, before that time, to investigate whether they may have grounds to make such a determination.

Suspension or restriction of service for contraventions or failures 5

- 32 (1) The repeal of section 368Z5 (suspension or restriction of service for contraventions or failures) does not affect the application of that section after the repeal time in a case in which OFCOM –
- (a) made a determination as mentioned in section 368W(1), 368Z2(1) or 368Z3(1) before that time, or 10
 - (b) made such a determination after that time following an investigation begun before that time.
- (2) The repeal of section 368Z5 does not affect the application of that section (as modified by section 368Z10) after the repeal time in a case in which –
- (a) OFCOM are satisfied that a person failed to comply with a requirement under section 368Z10 imposed before that time, or 15
 - (b) OFCOM are satisfied that a person failed to comply with a requirement imposed after that time under section 368Z10 as it has effect in a case mentioned in paragraph 30(1).
- (3) The repeal of sections 368Z7 (directions under sections 368Z5 and 368Z6) and 368Z8 (offence relating to such directions) does not affect the application of those sections after the repeal time in connection with a direction given under section 368Z5 as it has effect by virtue of this paragraph. 20
