

Crown Estate Bill [HL]

AMENDMENTS
TO BE MOVED
IN COMMITTEE OF THE WHOLE HOUSE

[Supplementary to the Marshalled List]

Amendment
No.

After Clause 2

BARONESS VERE OF NORBITON

37A★ After Clause 2, insert the following new Clause –

“Duty to consider impact on commercial fishing

The Commissioners must not grant new licences to access the seabed without consideration of the impact of those new licences on commercial fishing.”

Member's explanatory statement

This amendment will ensure that the Commissioners must not grant new licences to access the seabed without consideration of the impact of those new licences on commercial fishing.

BARONESS VERE OF NORBITON

37B★ After Clause 2, insert the following new Clause –

“Duty to consider impact on commercial shipping

The Commissioners must not grant new licences to access the seabed without consideration of the impact of those new licences on commercial shipping.”

Member's explanatory statement

This amendment will ensure that the Commissioners must not grant new licences to access the seabed without consideration of the impact of those new licences on commercial shipping.

BARONESS VERE OF NORBITON

37C★ After Clause 2, insert the following new Clause—

“Duty to consider impact on coastal communities

The Commissioners must not grant new licences to access the seabed without consideration of the impact of those new licences on coastal communities.”

Member's explanatory statement

This amendment will ensure that the Commissioners must not grant new licences to access the seabed without consideration of the impact of those new licences on coastal communities.
