“(2A) A water or water and sewerage undertaker must take all reasonable steps to implement the measures described in its pollution incident reduction plan.”

BARONESS PARMINTER

- ★ Clause 2, page 6, line 2, after “94EA(1)” insert “or 94EA(2A)”

Member's explanatory statement

This would make the failure to implement pollution incident reduction plans, as required by another amendment in the name of Baroness Parminter, an offence alongside the existing offence of not publishing a plan.

Clause 3

BARONESS MCINTOSH OF PICKERING

Baroness McIntosh of Pickering gives notice of her intention to oppose the Question that Clause 3 stand part of the Bill.

After Clause 3

BARONESS MCINTOSH OF PICKERING

Duties of water regulators for clean water

 - (d) the conservation of water resources, and

(e) reasonable water bills.”

(2) In section 3 of the Water Industry Act 1991 (General environmental and recreational duties), in subsection (2), before paragraph (a) insert—

“(aa) a requirement to achieve excellent quality of all bathing waters, lakes, rivers and beaches of high ecological status, and elimination of sewage, waste and other pollution so far as reasonably practicable from all waterways;”

Member's explanatory statement

This new clause would change the duties of Ofwat to be compatible with the public interest. It would eliminate the prioritisation of corporate welfare and reform the duties of Ofwat to be for clean water, conservation and reasonable water bills. This would bring English water regulation up to the standards of, and improve upon, the Water (Scotland) Act 1980, section 1.
