Persons ineligible for appointment

10

- 2 (1) The appointment of an ineligible person as a commissioner is of no effect.
- (2) The appointment of a person ceases to have effect if a person becomes ineligible after appointment as a commissioner.
- (3) For the purposes of this paragraph a person is “ineligible” if the person – 15
- (a) is disqualified for being elected or holding office as the mayor for the area of a CCA under paragraph 8, 9 or 9A of Schedule 2, or
- (b) is the mayor or deputy mayor for the area of the CCA to which the appointment relates. 20
- (4) But being a commissioner does not make a person ineligible by virtue of paragraph 8(1)(a) of Schedule 2 (as applied by sub-paragraph (3)(a)) – instead see paragraphs 4(3) and 5.
- (5) Any defect in the appointment of a person as a commissioner, or in the qualifications of a person appointed as a commissioner, does not affect the validity of anything done by the person as commissioner. 25

Terms and conditions of appointment

- 3 (1) The mayor must determine the terms and conditions of a person’s appointment as a commissioner. 30
- (2) But that is subject to the provisions of this Schedule.

Commissioner to work in only one area of competence

- 4 (1) The terms and conditions must provide for the person's work as commissioner to relate to one of the areas of competence (the commissioner's "special" area of competence).
- (2) This paragraph does not prevent a person's work as a commissioner from relating incidentally – 5
- (a) to any area of competence other than the commissioner's special area, or
 - (b) to matters outside any of the areas of competence.
- (3) The appointment of a person as a commissioner (the "invalid appointment") is of no effect if (in the absence of this paragraph) the person would, at any particular time, be serving – 10
- (a) as commissioner under the invalid appointment, and
 - (b) as commissioner under another appointment made before, or at the same time as, the invalid appointment – 15

Only one commissioner for each area of competence

- 5 The appointment of a person as a commissioner (the "invalid appointment") is of no effect if (in the absence of this paragraph), at any particular time –
- (a) the person would be serving as commissioner in relation to the special area of competence under the invalid appointment, and 25
 - (b) another person would be serving as commissioner in relation to that area of competence under another appointment made under section 29A in relation to the same CCA before, or at the same time as, the invalid appointment. 30

Duration of appointment

- 6 (1) The terms and conditions must provide for a person's appointment as a commissioner to end on or before the last day of the relevant term of office of the mayor making the appointment. 35
- (2) If the mayor who made the appointment ceases to hold office before the last day of the relevant term of office –

 - (b) the appointment as commissioner ends with the earlier of the following days—
 - (i) the day on which a person next becomes mayor for the area of the CCA;
 - (ii) the last day of the period of three months beginning with the day on which the mayor ceases to hold office.
- (3) In this paragraph “relevant term of office”, in relation to an appointment of a person as a commissioner made by a mayor, means the term of office of the mayor during which, or in relation to which, the appointment is made.

- 2 (1) The LGA 2000 is amended in accordance with this paragraph.
- (2) For section 9K (changing from one form of governance to another) substitute—

“9K Committee system: change to leader and cabinet executive (England)

Introduction

- (1) This section sets out the circumstances in which a local authority that is operating a committee system must or may move to a leader and cabinet executive.

Committee system not protected

- (2) If the local authority's committee system is not protected, it must move to a leader and cabinet executive; and no resolution is needed and no referendum is to be held (despite any other provision of this Chapter which would otherwise require or authorise a resolution or referendum). 5
- The local authority must comply with that duty so that it moves to a leader and cabinet executive before the end of the period of one year beginning with the commencement day. 10

Protected committee system

- (3) If the local authority's committee system is protected, it must undertake and publish a review of whether the local authority should move to a leader and cabinet executive. 15
- (4) The review –
- (a) must be undertaken and published before the end of the 1 year decision period;
 - (b) must have regard to the need to secure effective and convenient local government for the area of the local authority; 20
 - (c) if it concludes that the local authority should not move to a leader and cabinet executive, must include the reasons why the committee system is an appropriate form of governance for the local authority. 25
- (5) After the review is published, the local authority must act in accordance with subsection (6), (7) or (8).
The local authority must have regard to the review when choosing how to act. 30
- (6) The local authority may pass a resolution to continue to operate the committee system.
Any such resolution must be passed before the end of the 1 year decision period.
- (7) The local authority may act in accordance with this Chapter to hold a referendum on moving to a leader and cabinet executive (and then, following the referendum, must act in accordance with this Chapter). 35
Any such action must be taken so that –
- (a) the referendum is held before the end of the 1 year decision period, and 40

- (b) if the result of the referendum approves the move, the local authority moves to a leader and cabinet executive before the end of the period of 1 year beginning with the day of the referendum.
- (8) The local authority may act in accordance with this Chapter to move to a leader and cabinet executive without holding a referendum (despite any other provision of this Chapter which would otherwise require a referendum). 5
Any such action must be taken so that—
- (a) the resolution to move to a leader and cabinet executive is passed before the end of the 1 year decision period, and 10
- (b) the local authority moves to a leader and cabinet executive before the end of the period of one year beginning with the date of the resolution.
- (9) If a local authority’s committee system is protected, a petition cannot require a local authority to hold a referendum in accordance with regulations under section 9MC until both— 15
- (a) the relevant protection period has ended, and
- (b) the local authority has—
- (i) passed a resolution in accordance with subsection (6), 20
- (ii) acted in accordance with subsection (7) by holding a referendum which does not approve the move to a leader and cabinet executive, or
- (iii) acted in accordance with subsection (7) or (8) by completing the move to a leader and cabinet executive. 25

Subsequent move to leader and cabinet executive

- (10) If the local authority’s committee system is protected, and it retains the committee system after acting in accordance with subsections (3) to (8), it may subsequently move to a leader and cabinet executive in accordance with this Chapter. 30

Local authority subject to dissolution

- (11) This section—
- (a) does not apply to a local authority if a dissolution order has been made in relation to the local authority before the commencement day; 35
- (b) ceases to apply to a local authority if a dissolution order is made in relation to the local authority on or after the commencement day. 40

Accordingly the local authority is not to move to a leader and cabinet executive in accordance with any provision of this section

after the commencement day or (as the case may be) on or after the day when the dissolution order is made.

Interpretation

- (12) For the purposes of this section, a local authority’s committee system is “protected” if the committee system – 5
- (a) became or remained the local authority’s governance arrangements following a referendum, and the 10 year referendum protection period has not ended on the commencement day, or
 - (b) became or remained the local authority’s governance arrangements by virtue of a resolution (but not following a referendum), and the 5 year resolution protection period has not ended on the commencement day. 10

against them arising out of their work in connection with audits under this Act.

- (2) This may be achieved by professional indemnity insurance or other appropriate arrangements.

Monitoring and inspections

5

 - (b) to assume enforcement responsibility in a case in which it has made such a determination. 5
- (6) For the purposes of sub-paragraph (5), the Office assumes enforcement responsibility if it assumes responsibility for the final decision (subject to any appeal) as to—

- 2 Before Schedule 8 of the Landlord and Tenant Act 1954 insert –

“SCHEDULE 7A

Section 54A

PART 1

KEY TERMS

“Business tenancy”

15

- 1 (1) A tenancy is a “business tenancy” at a particular time if, at that time, Part 2 of this Act –
- (a) applies to the tenancy, or
 - (b) has the potential to apply to the tenancy.
- (2) For that purpose, Part 2 has the potential to apply to the tenancy at a particular time if, at that time –
- (a) Part 2 cannot apply to the tenancy because –
 - (i) none of the property comprised in the tenancy is or includes premises which are occupied by the tenant, or
 - (ii) property comprised in the tenancy is or includes premises which are occupied by the tenant, but none of those premises are so occupied for the purposes of a business carried on by the tenant or for those and other purposes,
 - (b) the terms of the tenancy include terms (the “permitted business use terms”) which would permit the tenant to occupy the premises for the purposes of a business carried on by the tenant (whether the terms permit occupation for the purposes of business generally, a specific business

20

25

30

35

- or a specific kind of business) or for those and other purposes, and
 - (c) if the tenant were to occupy the premises in accordance with the permitted business use terms (and taking into account all other circumstances), Part 2 of this Act would apply to the tenancy. 5
- (3) For the purposes of sub-paragraph (2)(b), terms of the tenancy which—
- (a) would prohibit the tenant from occupying the premises for some purposes, but 10
 - (b) would not prohibit the tenant from occupying the premises for other purposes,
- are to be regarded as terms which would permit the tenant to occupy the premises for the purposes which are not prohibited.
- (4) Sub-paragraph (2) must be construed as one with section 23(1). 15

“Business tenancy with a rent review”

- 2 (1) A tenancy is a “business tenancy with a rent review” at a particular time if, at that time—
- (a) it is a business tenancy, and
 - (b) it is subject to rent review terms (whether contained in the instrument creating the tenancy or not). 20
- (2) In this Schedule “rent review terms” means terms under which an amount of rent payable under the tenancy will or may change during the terms of the tenancy (“rent under review”).

PART 2 25

TRIGGERING AND OPERATION OF RENT REVIEWS

Application of this Part

- 3 (1) This Part of this Schedule applies to a tenancy at a particular time if, at that time, it is a business tenancy with a rent review.
- (2) But this Part applies to such a tenancy only if— 30
- (a) the tenancy is—
 - (i) granted, or
 - (ii) varied so that it includes rent review terms, after this Schedule comes into force, and
 - (b) the grant or variation is not made under a contract entered into before this Schedule comes into force. 35

Tenant to have power to trigger a rent review

- 4 (1) This paragraph applies if—
- (a) an action is necessary for a particular rent review to be initiated (a “trigger action”), and
 - (b) the rent review terms, or any other terms (whether contained in the instrument creating the tenancy or not), do not allow the tenant to take the trigger action. 5
- (2) The tenant may initiate the particular rent review by giving the landlord notice in writing.
- (3) Notice under sub-paragraph (2) may not be given after the time when trigger action may be taken. 10

Tenant to have power to take action to enable rent review to operate effectively

- 5 (1) This paragraph applies if—
- (a) an action is necessary for a particular rent review to operate effectively (an “operational action”), and 15
 - (b) the rent review terms, or any other terms (whether contained in the instrument creating the tenancy or not), do not allow the tenant to take the operational action.
- (2) The tenant may take the operational action.
- (3) If the tenant takes the operational action, the tenant must give the landlord notice in writing of the action within the period of seven days beginning with the day on which the action was taken. 20

PART 3

RENT REVIEW TERMS THAT ARE OF NO EFFECT

Application of this Part 25

- 6 (1) This Part of this Schedule applies to a tenancy at a particular time if, at that time—
- (a) it is a business tenancy with a rent review, and
 - (b) the rent review terms—
 - (i) do not specify new passing rent, and 30
 - (ii) include elements 1 and 2.
- (2) But this Part applies to such a tenancy only if—
- (a) the tenancy is—
 - (i) granted, or
 - (ii) varied so that it includes rent review terms that do not specify new passing rent and include elements 1 and 2, 35
- after this Schedule comes into force, and

- (b) the grant or variation is not made under a contract entered into before this Schedule comes into force.

Rent review terms that “do not specify new passing rent”

- 7 Rent review terms “do not specify new passing rent” if they are such that an amount of rent under review that will be payable at a time during the term of the tenancy (the “new passing rent”) – 5
 - (a) is not known, and
 - (b) cannot be determined,at the time when the tenancy is granted or varied so that it includes the terms. 10

Elements 1 and 2

- 8 (1) This paragraph sets out elements 1 and 2.
- (2) *Element 1*: an amount of rent (the “reference amount”) is determined by reference to – 15
 - (a) the effect of inflation or any other index or multiplier on the rent,
 - (b) the amount of either or both of the following –
 - (i) actual rent for premises;
 - (ii) a hypothetical market rent, or other notional rent, for premises, or 20
 - (c) the amount of the tenant’s turnover.
- (3) The premises for which rent falling within sub-paragraph (2)(b) is, or is assumed to be, payable may be either or both of the following – 25
 - (a) the premises demised by the tenancy which is subject to the rent review terms;
 - (b) other premises (whether real or hypothetical).
- (4) The reference in this paragraph to the amount of a notional rent for premises includes an amount calculated in accordance with the rent review terms on the basis of actual or assumed information or other assumptions. 30
- (5) *Element 2*: the amount of the new passing rent –
 - (a) will be different from the reference amount, or
 - (b) could be different from the reference amount (whether or not the amount could, alternatively, be the reference amount). 35

Amount of new passing rent to be larger than reference amount

- 9 (1) This paragraph applies in relation to a particular rent review if the amount of the new passing rent determined in accordance with the rent review terms would be larger than the reference amount. 5
- (2) That includes cases where the amount of the new passing rent would be –
- (a) smaller than the rent under review, but
 - (b) still larger than the reference amount.
- (3) The rent review terms are of no effect to the extent that they would result in the new passing rent being larger than the reference amount. 10
- (4) The amount of the new passing rent is instead to be the same as the reference amount.

Exceptions 15

- 10 (1) The Secretary of State may, by regulations, provide for exceptions from paragraph 9 (whether an exception relates to the paragraph generally or to an aspect of the paragraph).
- (2) Regulations under this paragraph –
- (a) may include transitional or saving provision; 20
 - (b) may make different provision for different purposes;
 - (c) are to be made by statutory instrument;
 - (d) may not be made unless a draft of the statutory instrument containing the regulations has been laid before Parliament and approved by a resolution of each House of Parliament. 25

PART 4**SUB-TENANCY REQUIRED TO INCLUDE RENT REVIEW TERMS THAT WOULD BE OF NO EFFECT***Application of this Part*

- 11 (1) This Part of this Schedule applies to a tenancy (the “superior tenancy”) at a particular time if, at that time – 30
- (a) the superior tenancy is a business tenancy,
 - (b) the superior tenancy requires or permits the grant of a sub-tenancy (the “authorised sub-tenancy”),
 - (c) the authorised sub-tenancy would, at the time of its grant, be a business tenancy with a rent review, and 35
 - (d) either –

- (i) the superior tenancy requires the authorised sub-tenancy to include rent review terms, and that requirement can only be complied with by the inclusion of rent review terms which (on one or more particular rent reviews) would produce, or would be capable of producing, the result that is prohibited by paragraph 9(3), or 5
 - (ii) the superior tenancy permits the authorised sub-tenancy to include rent review terms, but rent review terms can only be within that permission if (on one or more particular rent reviews) they would produce, or would be capable of producing, the result that is prohibited by paragraph 9(3). 10
- (2) But this Part applies to the superior tenancy only –
 - (a) if the superior tenancy was – 15
 - (i) granted, or
 - (ii) varied so that it includes rent review terms that do not specify new passing rent and include elements 1 and 2,
 before this Schedule comes into force, or 20
 - (b) if the superior tenancy is –
 - (i) granted, or
 - (ii) varied so that it includes rent review terms that do not specify new passing rent and include elements 1 and 2, 25
 after this Schedule comes into force and the grant or variation is made under a contract entered into before then.

Modification of terms of superior tenancy

- 12 (1) The superior tenancy has effect after this Schedule comes into force as if it requires, or as the case may be permits, the authorised sub-tenancy to include rent review terms of any kind which (on each particular rent review) would not produce, and would not be capable of producing, the result that is prohibited by paragraph 9(3). 30 35
- (2) The actual rent review terms that are to be included in a particular authorised sub-tenancy are to be –
 - (a) agreed by the persons who are to be the landlord and tenant under that sub-tenancy, or
 - (b) determined in such other manner as they may agree. 40
- (3) Accordingly, the landlord under the superior tenancy may not require the inclusion of particular rent review terms in the authorised sub-tenancy (unless that is what is agreed by the

persons who are to be the landlord and tenant under the sub-tenancy).

- (4) This paragraph does not prevent a superior tenancy from being varied or modified by the parties to it (and accordingly sub-paragraphs (1) to (3) are subject to any such variation or modification). 5

Interpretation

- 13 (1) The following provision applies for the purposes of this Part of this Schedule.
- (2) The superior tenancy permits the grant of a sub-tenancy, or the inclusion of particular rent review terms in a sub-tenancy, if granting the sub-tenancy, or including those terms, would not breach the terms of the superior tenancy. 10
- (3) References to the superior tenancy, and references to the terms of the superior tenancy, include references to— 15
- (a) the terms of any agreement relating to the superior tenancy, and
- (b) any document or communication from a party to the superior tenancy which gives or refuses consent for the grant of a category or description of sub-tenancy. 20
- (4) “Superior tenancy” has the meaning given in paragraph 11(1).
- (5) “Sub-tenancy” means a tenancy that is inferior to the superior tenancy (whether or not it is immediately inferior to that tenancy).
- (6) The “result that is prohibited by paragraph 9(3)” means the result that the new passing rent is larger than the reference amount. 25

PART 5

- 14 An agreement (whether contained in the instrument creating the tenancy or not) is void if, or to the extent that, it purports to require the tenant to make a payment in respect of any difference in an amount of rent which results from the operation of any other provision of this Schedule. 30
