Dear Ms Nusrat Ghani,

PRIVATE BILLS – CHELTENHAM BOROUGH COUNCIL (MARKETS) BILL

Under Commons Standing Order 169A a Crown Minister is required to submit a report to the House on the promoter's statement regarding compatibility with the European Convention on Human Rights.

I believe the promoters of the Bill have undertaken a proper assessment of the compatibility of their proposals with the European Convention on Human Rights and see no reason to dispute their conclusions.

Sincerely,

THE RT HON EMMA REYNOLDS MP
