Member's explanatory statement

This amendment, and one in the name of the Earl of Lindsay to insert a new clause after clause 18, would ensure that existing specialist tobacconists are automatically granted a retail licence under the new licensing scheme. Its effect is to grandfather such businesses into the regime and exempt them from any future limits on the number or geographical distribution of retail licences.

LORD UDNY-LISTER
LORD NASEBY

Schedule 1, page 124, line 16, at end insert –

Member's explanatory statement

The amendment establishes a government grant scheme to subsidise the cost of age verification technology used in the sale of nicotine products. It reduces the financial burden on smaller retailers and improves compliance with age restriction laws, thus helping to prevent sales to those underage.

BARONESS MERRON

Schedule 1, page 125, line 8, leave out paragraphs (d) and (e)

- (1) The Secretary of State may by regulations amend section 88 for the purpose of extending it to a relevant offence that involves possession of a filter with intent to supply it to another in the course of business.

 - (f) weigh more than three grams per cigar (or an equivalent weight per 1,000 units).”

Member's explanatory statement

This amendment would ensure that the packaging regulations in clause 89 do not negatively affect specialist tobacconists who predominantly sell hand-rolled cigars.

After Clause 89

THE EARL OF LINDSAY
LORD MENDELSON

After Clause 89, insert the following new Clause—

“Exemption for handmade cigars

- (1) The retail packaging requirements provided for by section 89 shall not apply in relation to handmade cigars.
- (2) For the purposes of this section “handmade cigar” has the meaning set out in section 111.”

Member's explanatory statement

This amendment would exempt handmade cigars from the retail packaging requirements in clause 89.

BARONESS WALMSLEY
LORD YOUNG OF COOKHAM

After Clause 90, insert the following new Clause –

- (1) In developing regulations under section 90, the Secretary of State must consult on draft regulations which would, if made, include a requirement on producers of tobacco products and cigarette papers to print health warnings on individual cigarettes and individual cigarette papers.
- (2) In this section, “cigarette papers” and “tobacco product” have the same meaning as in section 111 of this Act.”

Member's explanatory statement

- “(5) Regulations under this Part creating an offence –
- (a) may provide for it to be punishable with a term of imprisonment or a fine (or both);
 - (b) may not provide for the maximum term of imprisonment to exceed 2 years.”

Member's explanatory statement

Clause 102 currently requires offences created by regulations under Part 5 to be either way offences with a maximum penalty of 2 years imprisonment. The amendment allows more flexibility so that summary only offences with lesser maximum penalties can be created.

Clause 103

BARONESS MERRON

Leave out Clause 103 and insert the following new Clause –

“Enforcement

- (1) Regulations under this Part may include provision about enforcement.
- (2) The provision that may be made about enforcement includes –
 - (a) provision conferring functions on the relevant enforcement authorities;
 - (b) provision for the appropriate national authority to –
 - (i) direct, in relation to cases of a particular description or a particular case, that any function conferred on a relevant enforcement authority by virtue of the regulations is to be carried out by the appropriate national authority and not by the relevant enforcement authority;
 - (ii) take over the conduct of any proceedings from a relevant enforcement authority in respect of an offence under this Part.
- (3) The provision that may be made about enforcement includes –
 - (a) provision conferring on a relevant enforcement authority the power to prohibit a person, for a period of up to 6 months, from supplying a product, if the authority has reasonable grounds to suspect that there has been a breach of regulations under this Part in relation to that product;
 - (b) provision for the forfeiture of products –
 - (i) in England and Wales or Northern Ireland, by court order;
 - (ii) in Scotland, by order of a sheriff;
 - (c) provision similar or corresponding to section 88 (HMRC seizure powers).
- (4) Provision made by virtue of subsection (3)(a) may include –

- (a) provision for compensation to be payable by a relevant enforcement authority in specified circumstances;
 - (b) provision about the resolution of disputes about compensation.
- (5) Regulations under this section may include provision conferring jurisdiction on a court or tribunal, including –
- (a) provision conferring jurisdiction to order a person to reimburse a relevant enforcement authority’s expenditure in specified circumstances;
 - (b) provision about appeals.
- (6) In this section –
- “appropriate national authority” means –
- (a) in relation to England, the Secretary of State,
 - (b) in relation to Wales, the Welsh Ministers,
 - (c) in relation to Scotland, the Scottish Ministers, and
 - (d) in relation to Northern Ireland, the Department of Health;
- “relevant enforcement authority” means –
- (a) in relation to England, a local weights and measures authority,
 - (b) in relation to Wales, a local weights and measures authority,
 - (c) in relation to Scotland, a local weights and measures authority, and
 - (d) in relation to Northern Ireland, a district council;
- “supplying” includes –
- (a) agreeing to supply;
 - (b) offering or exposing for supply.”

Member’s explanatory statement

This is intended to replace clause 103. Clause 103(2) allows regulations to apply enforcement provisions in the Consumer Protection Act 1987. The Product Regulation and Metrology Act 2025 repeals those provisions. The new clause recasts, and narrows, the powers in a way that avoids referring to the 1987 Act.

Clause 111

BARONESS MERRON

Clause 111, page 60, line 36, at end insert –

““filter” means a filter that is intended to be used when smoking a tobacco product or herbal smoking product (including a filter that forms part of, or that is intended to be inserted into, an item such as a cigarette holder or pipe);”

Member’s explanatory statement

This defines “filter” for the purposes of my amendments to Part 5 of the Bill.

THE EARL OF LINDSAY
LORD MENDELSON

Clause 111, page 60, line 36, at end insert –

““handmade cigar” means a cigar (or unit) which –

- (a) is wrapped in a whole tobacco leaf,
- (b) contains a binder composed entirely of natural tobacco leaf,
- (c) contains filler tobacco composed entirely of natural tobacco leaves, at least 50 per cent of which by weight consists of long-filler tobacco,
- (d) contains no reconstituted, or homogenised tobacco,
- (e) is handmade or hand-rolled individually, without the use of automated machinery, save for simple handheld tools,
- (f) has no filter, non-tobacco tip or mouthpiece,
- (g) contains no characterising flavour other than tobacco,
- (h) contains only tobacco, water and vegetable gum, and
- (i) conforms to a standard whereby the weight of one thousand units exceeds six pounds;”

Member's explanatory statement

This amendment inserts a definition of “handmade cigar” for the purposes of Part 5 of the Act only, ensuring that the exemption from retail packaging requirements applies narrowly to genuinely handmade, premium cigars and cannot be extended to mass-market or flavoured products.

 - (a) is automatic, intermediate and transient,
 - (b) is solely for the purpose of carrying out the transmission in the network, and
 - (c) is for no longer than is reasonably necessary for the transmission.
- (3) An internet service provider does not commit an offence under section 113, 116, 117 or 118 by storing information provided by a user for transmission in a communication network if –
 - (a) the storage of the information –
 - (i) is automatic, intermediate and temporary, and
 - (ii) is solely for the purpose of making more efficient the onward transmission of the information to other users at their request, and
 - (b) the internet service provider –

 - (c) that a court or administrative authority has ordered the removal from the network of, or the disablement of access to, the information.
- (5) An internet service provider does not commit an offence under section 113, 116, 117 or 118(1) by storing information provided by a user who is not acting under the authority or control of the provider if –

BARONESS MERRON

After Clause 119, insert the following new Clause –

“Advertising defence: public health campaigns

- (1) Where a person is charged with an offence under any of sections 113 to 118 in relation to an advertisement whose purpose is to promote vaping products or nicotine products in general, or a category of such products, it is a defence for the person to show that they knew or reasonably believed that they were acting in accordance with arrangements made by a public authority.
- (2) A public authority may only make such arrangements for the purposes of promoting or protecting public health.
- (3) Where in accordance with subsection (1) it is a defence for a person charged with an offence to show a particular matter, the person is taken to show that matter if –
 - (a) sufficient evidence of the matter is adduced to raise an issue with respect to it, and
 - (b) the contrary is not proved beyond reasonable doubt.
- (4) A reference in this section to a “category” of vaping products or nicotine products does not include a brand.”
