Member's explanatory statement

This amendment requires the mayor of a mayoral combined authority or combined county authority to hold a public meeting known as a “People’s Question Time” twice a financial year to answer questions from the public. - (a) made a statement to both Houses of Parliament certifying that due regard has been given to the impact of the proposed change on the administration and costs of any other elections or referendums scheduled to be held on the same day,
 - (b) made such relevant financial provision as is necessary to ensure that parish councils, town councils, or other smaller authorities do not incur additional financial liabilities resulting from the loss of cost-sharing arrangements with the cancelled or postponed election, and
 - (c) laid before Parliament a written statement setting out the arrangements for ensuring that the democratic mandate of any authority not subject to the change is not undermined by the administrative separation of the polls.”

This amendment ensures that the years in which ordinary elections for local councillors, mayors, and Police and Crime Commissioners are held can only be changed by an Act of Parliament.

BARONESS SCOTT OF BYBROOK
LORD JAMIESON

LORD PACK

After Clause 61, insert the following new Clause –

 - (a) a person has applied to the Secretary of State for the statutory trust discharge order to be made in relation to the land, and
 - (b) the Secretary of State is satisfied that the qualifying conditions are met (see section 128D).
- (3) The effect of an order being made in relation to land is that the land is freed from any trust arising solely by virtue of its being land held in trust for enjoyment by the public in accordance with—
 - (a) section 164 of the Public Health Act 1875 (pleasure grounds), or
 - (b) section 10 of the Open Spaces Act 1906 (duty of local authority to maintain open spaces and burial grounds).
- (4) The order has that effect in relation to that land generally (and so its effect is not limited to that land as freehold or leasehold land as held by the applicant for the order).
- (5) The Secretary of State may, by regulations, make provision as to the making and determination of any application for a statutory trust discharge order.
- (6) Regulations under subsection (5) may in particular make provision as to—

- (1) A person making an application must have regard to any guidance issued by the Secretary of State (whether relating to how the application is made or to its form or content).
- (2) Qualifying condition B (see section 128D(3)) limits which kind of person is able to make a successful application.
- (3) An application may be varied after it has been made (and section 128A, this section, and sections 128D to 128G then apply to the application as varied).
- (4) The Secretary of State may require a person making an application to pay a fee before the Secretary of State considers the application (the “application fee”).
- (5) The application fee is to be of an amount specified in, or determined in accordance with, regulations made under section 128A(5).
- (6) The determination of an application for a statutory trust discharge order which relates to particular land does not prevent a further application from being made subsequently in relation to the same land.
- (7) But the Secretary of State may reject a further application if the Secretary of State considers that there has not been a material change in the circumstances relevant to the qualifying conditions.
- (8) If a further application is rejected, the Secretary of State must publish notice of the rejection in the manner which the Secretary of State considers appropriate.

128C Applications where land has been divided up

- (1) This section applies where—
 - (a) a principal council, parish council or parish meeting appropriated or disposed of land, and
 - (b) the freehold or leasehold title to that land has subsequently been divided.
- (2) An application may be made in relation to the land comprised in any of the relevant titles.
- (3) A single joint application may be made in relation to the land comprised in two or more of the relevant titles, and, in the case of such an application, the question of whether the qualifying conditions are met must be decided separately in relation to the land comprised in each title.
- (4) For the purposes of this section—
 - (a) a freehold title is “divided” if either or both of the following occurs—
 - (i) the title is divided into two or more different freehold titles;
 - (ii) a lease (including a sublease) is granted over some or all of the land comprised in the freehold title;
 - (b) a leasehold title is “divided” if—
 - (i) the title is divided into two or more different leasehold titles (for example by an assignment of part);
 - (ii) a sublease (including a sublease that is not immediately inferior to the leasehold title) is granted over some or all of the land comprised in the leasehold title.
- (5) In this section “relevant title” means—

 - (b) disposed of,the relevant land at a time before the application for the statutory trust discharge order is made (the “previous appropriation or disposal”).
- (5) It does not matter whether the previous appropriation or disposal occurred before or after commencement.
- (6) *Qualifying condition D*: the previous advertisement procedure was not complied with in relation to the previous appropriation or disposal.
- (7) For the purposes of determining whether qualifying condition D is met –
 - (a) it is sufficient that the previous advertisement procedure was not complied with;
 - (b) accordingly, it is irrelevant –
 - (i) whether the previous advertisement procedure in fact had to be complied with, or
 - (ii) whether the land was in fact land held in trust for enjoyment by the public in accordance with a trust of the kind mentioned in section 128A(3).
- (8) Section 128F includes provision for presuming that the previous advertisement procedure was not complied with; and qualifying condition D must be taken to be met if that presumption is made.
- (9) *Qualifying condition E*: the new publicity requirements have been complied with.
- (10) *Qualifying condition F*: it is in the public interest for the relevant land to be freed from the trusts by virtue of the order.
- (11) The reference in subsection (10) to the public interest includes the public interest in –
 - (a) nature conservation;
 - (b) the conservation of the landscape;
 - (c) the protection of public rights of access to the relevant land;
 - (d) the protection of archaeological remains and features of historic interest;
